Mission and Objectives

Few in 20th century America did more to advance the study of international relations or promote human understanding than J. William Fulbright. Committed to the idea that a free society and a peaceful world require, above all, an educated citizenry, he urged with unflagging energy the use of historical perspective, cultural relativity, and scientific objectivity in the study of human affairs. Senator Fulbright, like Thomas Jefferson, Andrew Jackson, and Abraham Lincoln before him, was committed to the belief that an educated, enlightened electorate will act not only in its own self-interest but also in the interest of all the people of the world.

In recognition of J. William Fulbright's contribution to the cause of liberal education and of his many services to his native state, the Board of Trustees of the University of Arkansas on November 20, 1981, resolved...

The College of Arts and Sciences at the University of Arkansas, Fayetteville, shall be named, henceforth, the J. WILLIAM FULBRIGHT COLLEGE OF ARTS AND SCIENCES. His name will imbue that college, and the University, with his reputation and image for a devoted interest in higher education and its accomplishments through its scholars as reflected in its students.

The college has adopted as its mission the following statement from Fulbright's writings:

... the highest function of higher education is the teaching of things in perspective, toward the purposes of enriching the life of the individual, cultivating the free and inquiring mind, and advancing the effort to bring reason, justice, and humanity into the relations of men and nations.

Consisting of 19 departments and numerous centers and research units, Fulbright College has a twofold mission: to provide a broad, liberal education to all students within the university community and to furnish specialized knowledge at the upper division and graduate levels leading to a professional career. The general education curriculum within the college is designed to assure students' mastery of the English language, provide knowledge of the historical, social, intellectual, and linguistic bases of human culture, provide habits of thought useful in later life, encourage the development of aesthetic, political, and ethical values, and offer the necessary foundation for professional competence or further training in professional or graduate schools. The general education curriculum of the college is based on the Platonic assumption that the pursuit of knowledge is an intrinsically good activity and that it is incumbent upon all members of an enlightened society to engage in that pursuit.

Recognizing that its students must become productive members of contemporary American society, Fulbright College offers undergraduate majors in fields ranging from chemistry and art to journalism, physics, social work and psychology. In addition, the college, in cooperation with the Graduate School, offers course work leading to master's degrees and doctoral degrees. As a natural corollary of their instructional role, faculty members of the college pursue active research programs that enable them simultaneously to provide state-of-the-art education to their students and bring national and international recognition to the university.

In sum, Fulbright College lies at the very heart of the university. The seat of liberal learning within the institution and the state, it is committed to providing excellent general education to all members of the student body and specialized instruction of the highest quality to its own majors.

Facilities and Resources

Academic Advising Services

The Fulbright College of Arts and Sciences provides an adviser for each student enrolled in the college. Freshman- and sophomore-level students, including departmental honors students, are advised in the Fulbright College Advising Center in Old Main 518. All four-year honors undeclared major students and all freshman-level four-year honors declared major students receive advising from the Fulbright Honors Program office in Old Main 517. The faculty of each department within Fulbright College assumes responsibility for advising sophomore-level four-year honors students, all junior- and senior-level students who have declared majors in the department, and juniors and seniors who have a declared current interest in the department as a possible major area. Other advisory services exist to provide aid and direction to students who are non-degree candidates as well as those who are beginning work in the college without having yet decided on a major and those who are planning to attend professional schools such as those for medicine or pharmacy. Advisers in the Fulbright College Advising Center will assist students in program planning and will help them to become aware of and familiar with the academic offerings of the university. Students should consult their advisers on a regular basis, not limited to registration matters but including all areas of their academic careers. Personnel in the Fulbright College Advising Center or the Dean's office will direct students to the appropriate advising office.

Students should discuss with their advisers opportunities for individual variations as well as regular course requirements. Programs and facilities of particular interest to individuals may include the Honors Program, programs for advanced placement and credit by examination, study abroad and the services of the University Career Development Center.

The Career Development Center administers and interprets tests that measure individual ability, interest, and achievement, and thus may aid also in counseling students about the field of study in which they are most likely to be effective and successful.

For questions regarding advising, contact the Fulbright College Advising Center at 575-3307 or visit online at http://fcac.uark.edu .

Degrees Offered

The J. William Fulbright College of Arts and Sciences offers four-year curricula leading to the degrees of Bachelor of Arts (B.A.), Bachelor of Science (B.S.), Bachelor of Fine Arts (B.F.A.), Bachelor of Music (B.M.), and Bachelor of Social Work (B.S.W.). Each candidate for the B.A. and B.S. degrees selects a major field for specialized study. In addition to usual departmental majors there are interdepartmental majors and special programs for students preparing for professional degrees in law, medicine, dentistry, and teaching.

College Admissions

Requirements

Students seeking admission to the J. William Fulbright College of Arts and Sciences must meet the general requirements for admission to the university. In addition, students are expected to present two units (years) of a single modern foreign or classical language. Those unable to meet
this standard will be expected to begin their collegiate foreign language
study as soon as possible after matriculation. For these students, the first
semester of language study will be considered to satisfy the admission
deficiency and will not count toward the minimum 120 hours required
for graduation (although the course will appear as university credit, and
the grade received will be computed in the grade-point average). For the
students who meet the Fulbright College of Arts and Sciences admission
requirements and continue with the same foreign language taken in
high school, the first semester of language study will be considered
remedial and will not count toward the minimum 120 hours required for
graduation (although the course will appear as university credit and the
grade received will be computed in the grade-point average). Students
transferring from other colleges at the University of Arkansas or from other
institutions are expected to meet the same entrance standard.

College Scholarships
Foremost among scholarships available in the J. William Fulbright College
of Arts and Sciences is the Sturgis Fellowship. This scholarship enables
Fulbright College to offer outstanding graduates of secondary and
preparatory schools undergraduate fellowships valued at $50,000 for four
collegiate years.

Students studying in the humanities or classics may qualify for the J.
William and Elizabeth W. Fulbright Scholarship for study abroad. This
award is for students who are at least juniors and is intended to support a
year of study abroad.

The King Fahd Center for Middle East Studies offers two-year
undergraduate scholarships for superior students interested in pursuing
the study of the Middle East or Islam.

In addition, students may compete for a number of privately endowed
scholarships, which are awarded on a competitive basis to those who
qualify. Application for these general Fulbright College scholarships
and awards is made through the Office of the Dean, 525 Old Main.
Students may obtain more detailed information about the above-
named scholarships and other Fulbright College scholarships at http://
fulbright.uark.edu/scholarships/index.php.

Other scholarships are available from the departments of Fulbright
College. Information may be sought from the departmental chair of the
student’s major.

Student Organizations
There are many general-interest societies and organizations to which
students may belong, and nearly every department of the university
maintains an honor society through which high scholarship is rewarded.
Students in Fulbright College may aspire to membership in the following
organizations:

- Alpha Chi Sigma (chemistry)
- Alpha Epsilon Delta (pre-medical, medical technology, pre-dental)
- Alpha Kappa Delta (sociology)
- Alpha Phi Sigma (criminal justice)
- Alpha Psi Omega (drama)
- American Association of Petroleum Geologists (geoscience)
- American Chemical Society (chemistry)
- American Society for Photogrammetry and Remote Sensing
  (geoscience)
- Delta Phi Alpha (German)
- Eta Sigma Phi (Greek and Latin)
- Gamma Theta Upsilon (geography)
- Kappa Kappa Psi (band, men)
- Kappa Tau Alpha (journalism)
- Lambda Alpha (anthropology)
- Lambda Pi Eta (communication)
- Lambda Tau (writers)
- Omicron Delta Epsilon (economics)
- Phi Alpha (social work)
- Phi Alpha Theta (history)
- Phi Beta Delta (international scholarship)
- Phi Beta Kappa (arts and sciences)
- Phi Kappa Phi
- Phi Mu Alpha (music, men)
- Pi Kappa Delta (forensics)
- Pi Mu Epsilon (mathematics)
- Pi Sigma Alpha (political science)
- Psi Chi (psychology)
- Sigma Alpha Iota (music, women)
- Sigma Delta Pi (Spanish)
- Sigma Gamma Epsilon (geology)
- Sigma Pi Sigma (physics)
- Tau Beta Sigma (band, women)

College Academic Regulations
Courses of study in the Fulbright College of Arts and Sciences are
designed to give students the comprehensive view of society that the
modern world requires. Students who enroll in Fulbright College, or who
elect some of its courses, have an opportunity to gain a broad cultural
education, which is a part of intelligent living and, at the same time, to
prepare for professions or to acquire technical training in the sciences.
The college has two major teaching functions: to provide basic general
education in the arts and sciences necessary to all persons for effective
participation in the complex world in which we live; and, second, to furnish
the student an opportunity to specialize in the field of the student’s choice.

To implement the first of these aims and to furnish a broad base for
the accomplishment of the second, the faculty of Fulbright College has
adopted the requirements listed below for each degree.

Specific course requirements may be fulfilled in one of four ways:

1. Establishing credit in approved courses:
   A. By enrolling in and completing the required work in the course,
   B. By examination (credit will be entered as CR on a student’s
      record as explained in Advanced-Standing Programs (http://
      catalog.uark.edu/archives/2013-14/undergraduatecatalog/
      academicregulations/advancedstandingprograms) ),
   C. By advanced achievement, i.e., by satisfactory completion
      of a more advanced course of a sequence. For example,
      students who earn a grade of “C” or better in a third-semester
      foreign language course may be granted credit for the second
      semester course upon recommendation of the Department of
      World Languages, Literatures, and Cultures, and approval by
      the Dean of the college. (This does not apply to work taken by
      as a self-paced (correspondence) course or in transfer.)

2. Gaining exemption by examination. Announced exemption examinations are routinely offered in several courses. Students may consult any department or the dean’s office concerning exemption examinations.

3. Advanced placement by examination. A student who is granted advanced placement may elect to substitute a more advanced course for the listed required course.

4. Transfer credit. Students presenting transfer credit in lieu of stated requirements may be asked to present official course descriptions, etc. Transfer work with grades of “D” or “F” will not be accepted.

**Degree Completion Program Policy**

**Fulbright College of Arts and Sciences Graduation Requirements**

In addition to the specific course requirements for the degree plan and major, be aware that there are general graduation requirements that every student in Fulbright College must complete.

1. **Minimum Total Semester Hour Requirement**
   - B.A., B.S. and B.S.W. Degrees: 120 hours
   - B.M.: 120 - 124 hours
   - B.F.A.: 120 - 123 hours

2. **Residency Requirement**
   - A. University Residency (Enrollment) Requirement
     Students must earn a minimum of 30 semester hours at the University of Arkansas, Fayetteville campus – this includes UA faculty-led study abroad classes, online/on-campus classes, and Global Campus courses; and all other courses paid towards Fayetteville campus tuition and fees. These 30 semester hours are to be upper-division semester hours required for the completion of a degree program. Additional hours in residence can be required for completing a minor. Hours earned in another school or college at UA, Fayetteville, may be used to satisfy this requirement with approval of appropriate faculty curriculum committee.
   - B. College Residency Requirement and 24 Hour Rule
     A student graduating from Fulbright College must have completed at least 30 hours of credit in courses offered by Fulbright College, at least 24 of which must be 3000 and 4000 level courses from departments in Fulbright College.
   - C. Major/Minor Residency Requirement (50 Percent Rule)
     A student graduating with a major or a minor from Fulbright College must have completed a minimum of 50 percent of degree credit work within the Fulbright College major or within the Fulbright College minor at the University of Arkansas through courses completed at the University of Arkansas, Fayetteville campus as defined in the University Residency Requirement. This percentage completion requirement may be higher for some majors and minors. Students should review individual departmental requirements to verify if a higher percentage is required by their specific major or minor department.

3. **40-Hour Rule**
   Students must present for degree credit at least 40 hours of work in courses numbered 3000 and above. Included in these 40 hours can be courses numbered 2000 if each has a specific course designated as a prerequisite. It is highly recommended that students complete all 40 hours in courses numbered 3000 and higher. These courses may be taken from other colleges or universities as long as the college residency requirement and the 24-hour rule are satisfied.

4. **Grade-Point Average**
   Students graduating from Fulbright College must have a minimum cumulative GPA of 2.00.

5. **“D”- Rule**
   If a student has grades of “D” in more than 25 percent of the hours presented for graduation credit, she/he will not be allowed to graduate.

6. **68-Hour Rule**
   Students who transfer into the university may present for degree credit no more than 68 hours of lower division course work (1000 and 2000 level).

7. **Writing Requirement**
   Students graduating from Fulbright College must write a research/analytical paper for at least one upper-division course in his or her major. Each department has determined its own procedures for certifying completion of this requirement. Questions should be referred to the departmental chairperson. A student may choose to write a senior thesis in a major area of study. The thesis may be accorded up to six hours of credit. Defense of the thesis before a committee is required. Satisfactory completion of an honors project or a senior thesis may be submitted to meet the college writing requirement.

8. **Students must complete the stated requirements for a Fulbright College major in addition to all university requirements for graduation, including the University Core requirements.**

Questions concerning fulfilling the requirements should be referred to the student’s adviser or to the dean’s office, which will maintain current lists of approved courses, experimental offerings approved to fulfill requirements for a specified period of time, examination schedules, and other options available to the student.

**Fulbright College Senior Scholar**

A student who has earned at least 50 percent of his or her college credits at the University of Arkansas and has maintained a grade-point average of at least 3.80 through the semester preceding graduation shall earn the distinction of “Fulbright College Senior Scholar.” In addition to completing one of the sets of degree requirements listed below, a student must also complete the university requirements for graduation, including the University Core requirements.

**Combined Academic and Medical or Dental Degree**

Fulbright College offers a Bachelor of Science degree in medical science or medical science (dentistry). A student may substitute the first year of regular medical or dental work taken in any standard, approved medical or dental school for 33 hours of the total required for the Bachelor of Science degree provided that the following requirements are met:

1. Completion of all core requirements for a B.S. degree, as appropriate, prior to student’s entrance in medical or dental school.
2. Completion of a minimum of 12 hours of courses numbered above 3000 taken in Fulbright College.
3. Completion of at least 30 hours immediately prior to student’s entrance in medical or dental school in residence in Fulbright College.
Additional Majors
Students fulfilling all requirements for the B.S., B.S.W., B.F.A. and B.M. degrees, including all core requirements and at least one major in these degree programs, may also claim an additional major in a humanistic discipline, social science, or interdisciplinary program associated with a BA degree. Upon completing all major requirements for that discipline, students wishing to have an additional major will not also receive a BA degree, but the additional major will be made part of their transcript. Students interested in this option should consult regularly with an academic adviser in the additional major and must notify the Fulbright College dean’s office (MAIN 525) when degree application is made.

Graduate Studies
The Graduate School, in cooperation with the faculty of Fulbright College of Arts and Sciences, offers work leading to the graduate certificate or to the degrees of Master of Arts, Master of Science, Master of Fine Arts, Master of Public Administration, Master of Social Work, and Doctor of Philosophy.

Students interested in any of these advanced degrees should consult the Graduate School Catalog or the Dean of the Graduate School.

Accreditations
The American Council on Education in Journalism and Mass Communications has accredited the Bachelor of Arts (B.A.) degree program in journalism. The Bachelor of Arts (B.A.), Bachelor of Music (B.M.), and Master of Music (M.M.) degree programs in the Department of Music are accredited by the National Association of Schools of Music. The Doctor of Philosophy (Ph.D.) degree program in clinical psychology is accredited by the American Psychological Association. The Bachelor of Social Work (B.S.W.) degree and the Master of Social Work (M.S.W.) degree are accredited by the Council on Social Work Education.

Minors

Academic minors in approved degree programs are options available to students in the Fulbright College of Arts and Sciences. The minor must be in a field other than the major, and students must notify the department of their intention to minor. An academic minor ordinarily consists of 15-18 hours. Specific requirements for the minor are given in the section entitled Departments, Majors, and Minors. Minors may be chosen from the following fields:

• African and African American Studies
• Anthropology
• Arabic
• Art History
• Asian Studies
• Biology
• Business
• Chemistry
• Chinese
• Classical Studies
• Communication
• Drama
• Economics
• English
• European Studies
• French
• Gender Studies
• Geography
• Geology
• German
• Historic Preservation
• History
• Japanese
• Latin American and Latino Studies
• Legal Studies
• Mathematics
• Medieval and Renaissance Studies
• Middle East Studies
• Music
• Philosophy
• Physics
• Political Science
• Psychology
• Religious Studies
• Social Work

Second (or dependent) Majors

A second (or dependent) major is one that a student may pursue as a major if the student is already pursuing a first major that is authorized to be given independently.

• African and African American Studies (http://catalog.uark.edu/archives/2013-14/undergraduatecatalog/collegesandschools/jwilliamfulbrightcollegeofartsandsciences/africanandafricanamericanstudiesaa)
• Asian Studies (http://catalog.uark.edu/archives/2013-14/undergraduatecatalog/collegesandschools/jwilliamfulbrightcollegeofartsandsciences/asianstudiesa)
• European Studies (http://catalog.uark.edu/archives/2013-14/undergraduatecatalog/collegesandschools/jwilliamfulbrightcollegeofartsandsciences/europeanstudieseu)
• Latin American and Latino Studies (http://catalog.uark.edu/archives/2013-14/undergraduatecatalog/collegesandschools/jwilliamfulbrightcollegeofartsandsciences/latinamericanandlatinostudiesl)
• Middle East Studies (http://catalog.uark.edu/archives/2013-14/undergraduatecatalog/collegesandschools/jwilliamfulbrightcollegeofartsandsciences/middleaststudiesmest)
Other Programs

Undergraduate Preparation for Professional Programs

The Fulbright College of Arts and Sciences offers courses that are required for the study of law, medicine, dentistry, teaching, pharmacy, social work, and other professions. It provides supporting programs in the humanities, fine arts, social sciences, and natural sciences for students who are enrolled for professional programs in other undergraduate colleges on the campus and for those students who may plan to enter postgraduate professional programs in other colleges.

In some instances it may be possible for a student to plan the use of undergraduate courses so that the time required for completion of a postgraduate professional program may be shortened by as much as one full year. Currently, this may be done for the Master of Social Work program. For information and advice concerning this program, see the Graduate Program Director of the School of Social Work.

In other pre-professional programs, the distribution of credits applied toward a degree in Fulbright College may require the consignment of a considerable portion of the available electives to prerequisite courses and to courses that are in direct support of the undergraduate major area.

Interested students should contact the appropriate advisers early in the planning of such programs.

Teacher Education Programs: Acceptance in a teacher education program is governed by regulations approved by the University Teacher Education Board for Initial Licensure and administered by the College of Education and Health Professions and the Fulbright College of Arts and Sciences. Students in Fulbright College can pursue teacher licensure in the following areas: Art, Drama/Speech, English, Foreign Languages, Mathematics, Music, Life/Earth Science, Physical/Earth Science, or Social Studies. Students in all subject areas, except Art and Music, must meet the entrance requirements for the Master of Arts in Teaching (M.A.T.) degree, which include completion of a baccalaureate degree in the subject area, completion of additional licensure requirements (if any) in subject area, completion of M.A.T. course requirements and a minimum 2.70 grade point average. See below for specific requirements in each subject area. Students intending to obtain licensure in Mathematics or the Sciences may either follow the requirements set forth in the UAteach undergraduate curriculum in addition to their major requirements or pursue the requirements for Fulbright College students seeking entrance into and certification through the M.A.T. program. Students intending to obtain teacher licensure in Art or Music will follow the education requirements set forth in the Bachelor of Fine Arts and Bachelor of Music degrees, respectively. For more information, please contact the Coordinator of Teacher Education in the College of Education and Health Professions, Peabody Hall, Room 8, and the Fulbright College Advising Center, Old Main, Room 518. Students wishing to pursue licensure through the UAteach undergraduate curriculum should consult with a UAteach adviser, uteach@uark.edu.

Secondary Education Requirements for Fulbright College Students (except in Art and Music)

1. All students must complete course requirements for entrance into the M.A.T. degree program. (All course requirements are subject to change. Students must meet current requirements at time of application for graduation.)

   Licensure for teaching requires completion of the bachelor’s degree in Fulbright College and completion of the Master of Arts in Teaching (M.A.T.) degree through the College of Education and Health Professions. Admission to the M.A.T. degree program requires a minimum cumulative undergraduate grade-point average of 2.70 and completion of the following requirements. Refer to the teacher licensure checklist at coehp.uark.edu/4882.htm for licensing requirements and additional information. Complete the following with a grade of “C” or higher:
   A. CIED 4131, Practicum in Secondary Education
   B. Demonstration of computer competencies in a portfolio or:
      ARSC 310V, Educational Technology and , Educational Technology Lab or another appropriately approved course
   C. CIED 4023, Teaching in Inclusive Secondary Settings

2. Complete subject area requirements. (See below for specific subject area requirements.)

Drama/Speech

Complete a BA degree with a major in Communications or Drama.

Communication majors must take the following Drama courses:

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>DRAM 1223</td>
<td>Introduction to Dramatic Art (Sp, Fa)</td>
<td>3</td>

UATeach Curriculum Requirements for Mathematics and Science Majors

ARSC 1201 Inquiry Approaches to Teaching: UAteach Step I (Fa)
ARSC 1221 Inquiry-Based Lesson Design: UAteach Step II (Sp)
ARSC 2303 Perspectives on Science and Mathematics (Sp)
BIOL 3273, CHEM 3273 or PHYS 3273 UAteach Research Methods (Fa)
STEM 2103 Knowing and Learning in Science and Mathematics (Sp, Fa)
STEM 2203 Classroom Interactions (Fa)
STEM 3303 Project Based Instruction for Secondary Mathematics and Science (Fa)
STEM 4409 Supervised Clinical Teaching in Science and Mathematics Education (Sp)
**Praxis II content area:**

The following Earth Science courses are recommended for preparation of a B.A. or B.S. degree with a major in chemistry or physics.

**Physical/Earth Science**

Complete a B.A. or B.S. degree in mathematics.

Students are advised to obtain an additional licensure area.

**Languages**

Complete a B.A. degree with a major in English.

Complete a BA or BS degree with a major in biology.

The following Earth Science courses are recommended for preparation of Praxis II content area:

<table>

Two additional courses in U.S. history

Two additional courses in world and/or regional history

One additional course in political science

Two courses in economics (ECON 2143 counts as one)

One additional course in geography

Students are advised to obtain an additional licensure area.

* HIST 3383 can also be taken as a self-paced Web-based (correspondence) course through the Office of Credit Studies, Global Campus, School of Continuing Education and Academic Outreach, or it can be taken web-based through the same office. Call 1-800-952-1165 for further information if you are interested.

**Pre-Law Program:** While there is no prescribed pre-law curriculum, Fulbright College offers a minor in legal studies administered through the department of political science. Students considering a career in law may consult the School of Law Catalog or the Fulbright College Advising Center for information concerning certain categories of courses that may be helpful to the study and practice of law. Students uncertain about a major degree program should contact the Fulbright College Advising Center.

A baccalaureate degree is required for admission to the University of Arkansas School of Law, except for those students in the Fulbright College of Arts and Sciences who are admitted to the special six-year program referred to in the paragraph immediately following. All applicants for admission are required to take the Law School Admission Test. (See page 281.)

The University of Arkansas School of Law at Fayetteville and the Fulbright College of Arts and Sciences jointly administer a six-year program whereby highly qualified students may earn both the bachelor's degree and the Juris Doctor degree. Any student enrolled in the J. William Fulbright College of Arts and Sciences during a spring semester shall be
permitted to matriculate in the School of Law in the following fall semester if the admission complies with Section 1 of Part A of the law school’s admission policies and if the student meets the following conditions:

1. At least 30 consecutive hours of course work in Fulbright College,
2. At least 94 hours credited toward a bachelor’s degree by Fulbright College,
3. Completion of Fulbright College’s requirements for a major in connection with the bachelor’s degree,
4. A cumulative grade-point average in all college or University course work of at least 3.50, without grade renewal,
5. An LSAT score of at least 159.

A student may substitute law school course work for the remaining total hours required for the bachelor’s degree from Fulbright College. Formal application for the degree should be made to the Registrar. Information about the program may be obtained in the dean’s office or the Fulbright Advising Center.

Health Related Professions Pre-Professional Programs:
- Chiropractic
- Cytotechnology
- Dental
- Dental Hygiene
- Diagnostic Medical Sonography
- Medical
- Medical Technology
- Nuclear Medicine Technology
- Occupational Therapy
- Ophthalmic Medical Technology
- Optometry
- Pharmacy
- Physical Therapy
- Physician Assistant
- Podiatry
- Radiation Therapy
- Radiologic Technology
- Respiratory Care

For additional information about these and other allied health professions, contact the Fulbright College Advising Center, 518 Old Main, 479-575-3307, or e-mail fcac@cavern.uark.edu . Web site: fcac.uark.edu . All preprofessional and allied health students are advised to research the school(s) where they intend to complete their professional or allied health program.

General: Each of the above areas involves the completion of a minimum number of semester hours and certain required courses. Many of the specific course requirements are common to all programs, and it is in the student’s best interest to complete these requirements as early as possible. Careful scheduling is essential to ensure that courses are taken in proper sequence.

Pre-Chiropractic Program: Students entering this program should determine the specific admission requirements from the school(s) of their choice at an early date. Most chiropractic colleges require a minimum of 90 hours of college credit to include the following: 6 hours of English, 12 hours chemistry (with a minimum of 3 hours inorganic chemistry and at least 6 hours organic chemistry and/or biochemistry), 8 hours of biology, 3 hours of psychology, 15 hours of social science or humanities, and 8 hours of physics. All students planning careers in chiropractic should contact the Fulbright College Advising Center, 518 Old Main, 479-575-3307.

Pre-Dental Program: All dental schools require a minimum of three years of college work, and most schools give preference to applicants who have completed a baccalaureate degree. The minimum requirements for admission to most dental schools can be met at the University of Arkansas by completing the following courses:

<table>
<thead>
<tr>
<th>Course</th>
<th>Description</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENGL 1013</td>
<td>Composition I (ACTS Equivalency = ENGL 1013)</td>
<td>3</td>

<tr>
<td>CHEM 3813</td>
<td>Introduction to Biochemistry (Su, Fa)</td>
<td>3</td>
</tr>
</tbody>
</table>

CLEP and AP credit is not accepted. Dental schools have a variety of additional course requirements and pre-dental students should check each school’s website.

Mathematics is not a general requirement, but students are expected to have a background equivalent to college algebra and trigonometry.

Students who complete a minimum of 90 hours of work may qualify for the combined degree program provided that they complete the requirements for graduation in Fulbright College of Arts and Sciences.

All dental schools require the Dental Admissions Test. It is suggested that applicants take the DAT one year prior to the time they plan to enter dental school. A student planning a career in dentistry should contact Dr. J.C. Rose, Department of Anthropology, 479-575-2508.

Pre-Medical Program: Medical schools in general require a minimum of 90 semester hours of college credit exclusive of military science and physical education, and most recommend that the student complete
a baccalaureate degree. All medical schools have specific course requirements, and the student should determine those requirements for the school or schools of his or her choice. The minimum requirements for many medical schools can be met by completion of the following courses:

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
<th>Credit Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENGL 1013</td>
<td>Composition I (ACTS Equivalency = ENGL 1013)</td>
<td>3</td>

</table>

Additional courses are recommended. Special opportunities and experiences are available to pre-medical students through the Liebolt Premedical Program (http://premed.uark.edu).

Pre-medical students are encouraged to complete the requirements for the B.A. or B.S. degree. As part of these requirements the student must choose a major, but the choice of a major has no direct bearing upon admission to medical school and should reflect the particular interests of the student. If a student is admitted to a medical school prior to completion of the baccalaureate degree requirements, he/she may wish to take advantage of the combined degree program in medical science. If that program is elected, the student should complete all of the basic University and college requirements for graduation during residence on the UA campus.

Most medical schools require the Medical College Admissions Test (MCAT), which is administered at several testing sites in Arkansas on specific dates from January to September each year. The MCAT normally should be taken in the spring preceding application to medical school. Admission to medical school is highly competitive, and a good grade-point average is demanded. A grade-point average of 3.0 is the minimum likely to receive favorable consideration. A grade of "D" in any course required by the medical school is not considered satisfactory.

Advising is available through Dr. Neil Allison, Department of Chemistry and Biochemistry, 479-575-5179, or Dr. Jeanne McLachlin, Department of Biological Sciences, 479-575-5348. Dr. Allison serves as chair of the University of Arkansas Pre-medical Advisory Committee. For information, visit the University of Arkansas pre-medical website at http://premed.uark.edu.

Pre-Optometry Program: Admission requirements to schools and colleges of optometry are not uniform. Typically they include courses in English, mathematics, physics, chemistry, and biology. Some colleges and schools have specific requirements in psychology, social sciences, literature, philosophy, and foreign languages. Students in this program should determine the specific requirements from the college(s) they wish to attend at an early date and plan their program of study accordingly. Details concerning the program are available from the Fulbright College Advising Center, 479-575-3307, 518 Old Main.

Pre-Pharmacy Program: Entrance requirements for pharmacy schools vary; therefore, students should research the schools of their choice to determine specific prerequisite course work. The University of Arkansas for Medical Sciences College of Pharmacy requires 69 hours of pre-professional courses to include: 4 hours of calculus, 9 hours of English/Communication, 16 hours of chemistry, 12 hours of biology, 4 hours of physics, 3 hours of economics, 6 hours of critical thinking/problem solving, and 15 hours of humanities.

Students are advised to begin taking humanities electives during the second semester of their freshman year. Since pharmacy schools have many more applicants than they can accept, the student is urged to earn a grade point average much higher than the minimum of 2.00.

Grades are a major consideration when admission committees evaluate a student’s qualifications for acceptance. The University of Arkansas College of Pharmacy and other pharmacy schools also require applicants to take the Pharmacy College Admission Test (PCAT). This may be taken in November or February. The pre-pharmacy adviser for the University of Arkansas is Lorraine Brewer, Department of Chemistry and Biochemistry, 479-575-3103.
Pre-Podiatry Program: To meet entrance requirements for colleges of podiatry, an applicant must have completed a minimum of three years at an accredited undergraduate institution; however, most entering students have completed a baccalaureate degree. Courses required for admission vary with the college, and a student should inquire early in the academic program about the courses required for a particular institution. In general, a student is advised to include at least 8 hours of general chemistry, 8 hours of organic chemistry, 8 hours of physics, 8 hours of biology, and 6 hours of English. Additional information concerning requirements for specific colleges of podiatry may be obtained from the Fulbright College Advising Center, 479-575-3307.

Pre-Cytotechnology Program: Admission requirements for cytotechnology programs are not uniform. Typically they are bachelor-level programs requiring prerequisite coursework in English, mathematics, chemistry, biology, psychology and/or sociology along other general education areas. Students in this program should determine the specific requirements from the program(s) they wish to attend at an early date and work with a pre-professional adviser to plan their program of study accordingly. Details concerning the program are available from the Fulbright College Advising Center, 479-575-3307, 518 Old Main.

Pre-Dental Hygiene Program: Admission requirements for dental hygiene programs are not uniform. Typically they are associate- or bachelor-level programs requiring prerequisite coursework in English, mathematics, chemistry, biology, psychology and/or sociology along other general education areas. Students in this program should determine the specific requirements from the program(s) they wish to attend at an early date and work with a pre-professional adviser to plan their program of study accordingly. Details concerning the program are available from the Fulbright College Advising Center, 479-575-3307, 518 Old Main.

Pre-Diagnostic Medical Sonography Program: Admission requirements for sonography programs are not uniform. Typically they are associate- or bachelor-level programs requiring prerequisite coursework in English, mathematics, physics, chemistry, biology, psychology and/or sociology along other general education areas. Students in this program should determine the specific requirements from the program(s) they wish to attend at an early date and work with a pre-professional adviser to plan their program of study accordingly. Details concerning the program are available from the Fulbright College Advising Center, 479-575-3307, 518 Old Main.

Pre-Medical Technology Program: Admission requirements for medical technology programs are not uniform. Typically they are bachelor-level programs requiring prerequisite coursework in English, mathematics, physics, chemistry, biology, psychology and/or sociology along other general education areas. Students in this program should determine the specific requirements from the program(s) they wish to attend at an early date and work with a pre-professional adviser to plan their program of study accordingly. Details concerning the program are available from the Fulbright College Advising Center, 479-575-3307, 518 Old Main.

Pre-Nuclear Medicine Imaging Sciences Program: Admission requirements for nuclear medicine imaging programs are not uniform. Typically they are bachelor-level programs requiring prerequisite coursework in English, mathematics, physics, chemistry, biology, psychology and/or sociology along other general education areas. Students in this program should determine the specific requirements from the program(s) they wish to attend at an early date and work with a pre-professional adviser to plan their program of study accordingly. Details concerning the program are available from the Fulbright College Advising Center, 479-575-3307, 518 Old Main.

Pre-Occupational Therapy Program: Admission requirements for occupational therapy programs are not uniform. Typically they are master-level programs requiring a bachelor’s degree that includes prerequisite coursework in English, mathematics, physics, chemistry, biology, psychology and/or sociology along other general education areas. Some programs allow students who do not yet have a bachelor’s degree but have completed all required prerequisite coursework. Students in this program should determine the specific requirements from the program(s) they wish to attend at an early date and work with a pre-professional adviser to plan their program of study accordingly. Details concerning the program are available from the Fulbright College Advising Center, 479-575-3307, 518 Old Main.

Pre-Radiologic Imaging Sciences Program: Admission requirements for radiologic imaging programs (also known as radiologic technology or radiography) are not uniform. Typically they are associate- or bachelor-level programs requiring prerequisite coursework in English, mathematics, physics, chemistry, biology, psychology and/or sociology along other general education areas. Students in this program should determine the specific requirements from the program(s) they wish to attend at an early date and work with a pre-professional adviser to plan their program of study accordingly. Details concerning the program are available from the Fulbright College Advising Center, 479-575-3307, 518 Old Main.

Pre-Radiation Therapy Program: Admission requirements for radiation therapy programs are not uniform. Typically they are bachelor-level programs requiring a previously earned radiologic technologist certification and prerequisite coursework in English, mathematics, physics, chemistry, biology, psychology and/or sociology along other general education areas. Students in this program should determine the specific requirements from the program(s) they wish to attend at an early date and work with a pre-professional adviser to plan their program of study accordingly. Details concerning the program are available from the Fulbright College Advising Center, 479-575-3307, 518 Old Main.

Pre-Radiographic Imaging Sciences Program: Admission requirements for radiographic imaging programs (also known as radiologic technology or radiography) are not uniform. Typically they are associate- or bachelor-level programs requiring prerequisite coursework in English, mathematics, physics, chemistry, biology, psychology and/or sociology along other general education areas. Students in this program should determine the specific requirements from the program(s) they wish to attend at an early date and work with a pre-professional adviser to plan their program of study accordingly. Details concerning the program are available from the Fulbright College Advising Center, 479-575-3307, 518 Old Main.
general education areas. Students in this program should determine the specific requirements from the program(s) they wish to attend at an early date and work with a pre-professional adviser to plan their program of study accordingly. Details concerning the program are available from the Fulbright College Advising Center, 479-575-3307, 518 Old Main.

Pre-Respiratory Care Program: Admission requirements for respiratory care programs are not uniform. Typically they are bachelor-level programs requiring prerequisite coursework in English, mathematics, physics, chemistry, biology, psychology and/or sociology along other general education areas. Students in this program should determine the specific requirements from the program(s) they wish to attend at an early date and work with a pre-professional adviser to plan their program of study accordingly. Details concerning the program are available from the Fulbright College Advising Center, 479-575-3307, 518 Old Main.

Cooperative Education
The Cooperative Education program is designed to offer students an opportunity to participate in a work experience directly related to their academic major. The program also insists that at least minimal academic credit be awarded, thus ensuring that the work experience will be directly related to the student’s academic program. Cooperative Education offers advantages to students needing assistance in financing their education, and it offers the college a tangible way to demonstrate our conviction that although we do not stress vocational or professional training per se, there is nothing inimical between a liberal arts education and the world of work. Prerequisites include 45 credit hours, a cumulative GPA of 2.50, and consent of the academic coordinator. A maximum of 4 credit hours of ARSC 310V (Cooperative Education) may be applied toward the student's degree.

Detailed information about Cooperative Education may be obtained from the Office of the Dean, Fulbright College, 525 Old Main.

Honors Program
Sidney Burris
Director of Honors Studies
517 Old Main
479-575-2509
http://fulbrighthonors.uark.edu

To create an intellectual environment that challenges the best of students, the J. William Fulbright College of Arts and Sciences provides a comprehensive program of honors studies. This includes the Fulbright College Scholars Program, a four-year interdisciplinary honors program for students of superior academic ability or artistic talent, and the Departmental Honors Program, an honors program emphasizing directed independent study within a department or discipline of the college.

For admission into the Fulbright Honors Program, an incoming student must have at least a 3.5 high school grade point average and a minimum ACT composite score of 28 or 1240 SAT. A current Fulbright College student must have a University of Arkansas grade average of 3.5 or above and a faculty recommendation from the department of study.

A student who successfully completes a program of honors studies within Fulbright College is eligible to receive a baccalaureate degree with the distinction Fulbright College Scholar cum laude, or Departmental Scholar magna cum laude or summa cum laude in the major field of study. Higher distinctions of magna cum laude or summa cum laude may be awarded to outstanding honors students by recommendation of the Fulbright College Honors Council.

To earn the distinction Fulbright College Scholar cum laude at graduation, a student must successfully complete the honors core curriculum, maintain a minimum grade-point average of 3.5, and satisfy requirements for departmental honors in the major field of study, including preparation and oral defense of an honors thesis. The Honors Council may award the higher distinctions of magna cum laude or summa cum laude based upon a student’s total academic performance, including the academic transcript, the quality of the scholarly activity pursued within the major field of study, and the breadth of college study as a whole.

To earn the distinction of Departmental Scholar cum laude at graduation, a student must successfully complete requirements prescribed by the major department, including an honors thesis and oral examination, maintain a minimum grade-point average of 3.5, and take 12 hours (which may include six hours of thesis) in honors studies. If a student demonstrates superior academic performance or an exceptionally high level of scholarly activity, the Honors Council may award the distinction of magna cum laude. In exceptional instances where truly outstanding work within the major field is coupled with the superior understanding of its relationship to the college work as a whole, the distinction summa cum laude may be awarded.

For more information about honors studies within Fulbright College, visit the web site at www.uark.edu/honors .

Degrees with Honors
The J. William Fulbright College of Arts and Sciences is dedicated to providing students a liberal education in the arts, humanities, and sciences. Such an education should be soundly based, innovative, and enriched by a creative faculty. This is especially true for students with superior academic ability or artistic talent. To achieve these aims, the college faculty has developed and participates in the Fulbright College Scholars Program and the Departmental Honors Program.

Requirements for the Fulbright College Scholars Program: Credit or exemption for University Core in English composition, including ENGL 1013, ENGL 1023, and ENGL 2003, and in American history or American government, completion of the requirements for departmental honors in a department or study area of the college, including preparation and oral defense of an honors thesis, a cumulative grade-point average of 3.5 or above, and completion of the honors core curriculum. Students who do not have at least a 3.5 GPA will not be allowed to graduate with honors.

Requirements for Departmental Honors: Specific academic requirements including course work, participation in departmental honors colloquia or seminars, and independent study projects are established by the faculty of the individual departments or study areas and are approved by the Honors Council. However, all departmental honors students must have a 3.5 cumulative grade-point average, complete and defend an honors thesis, and take 12 hours (which may include six hours of thesis) in Honors Studies. Information concerning these requirements is given within each department’s catalog listings.

The minimum academic requirements of the honors core curriculum for the B.A./B.S.W., B.S., B.M., and B.F.A. degree programs can be found in the degree requirements for each program listed below.
Honors Core Curriculum
Bachelor of Arts or Bachelor of Social Work Degree

Requirements for Departmental Honors: Specific academic requirements including course work, participation in departmental honors colloquia or seminars, and independent study projects are established by the faculty of the individual departments or study areas and are approved by the Honors Council. However, all departmental honors students must have a 3.5 cumulative grade-point average, complete and defend an honors thesis, and take 12 hours (which may include six hours of thesis) in Honors Studies. Information concerning these requirements is given within each department’s catalog listings.

The following outlines the minimum academic requirements of the honors core curriculum for the B.A. and B.S.W. degree programs.

Honors Core Curriculum

Humanities and Social Sciences Option 1
Core – 27 hours; 15 hours must be at honors level

  - SOCI 2013H Honors General Sociology (Sp, Su, Fa)
or SOCI 2013 General Sociology (ACTS Equivalency = SOCI 1013) (Sp, Su, Fa)

Total Hours 28

Students pursuing either option must also complete the following:

- Honors Colloquia (one from each approved area): 9
  - Humanities Colloquium
  - Social Science Colloquium
  - Natural Science or Math Colloquium

Physical Sciences

- ASTR 2003H Honors Survey of the Universe (Fa)
  & ASTR 2001M and Honors Survey of the Universe Laboratory (Fa)

See your adviser. Students must demonstrate proficiency in a single modern or classical language other than English (2013 Intermediate II of a world language). Usually this is accomplished by completing a sequence of world language courses (1003, 1013, 2003, 2013). See Fulbright College Admission Requirements. Students meeting the normal admission standard (two years of high school language) may expect to satisfy this requirement with fewer courses, depending upon placement. In cases of unusually thorough preparation, or in the case of international students, exemption may be sought from the department of world languages.

Natural Science and Mathematics 15-16

Core – 15-16 hours; 8 hours must be at honors level

Natural Sciences (12 hours)

At least 4 hours must be chosen from biological and 4 hours from physical

Biological Sciences

- ANTH 1013 Introduction to Biological Anthropology (Sp, Su) & ANTH 1011M and Honors Introduction to Biological Anthropology Laboratory (Fa)
or ANTH 1013 Introduction to Biological Anthropology (Sp, Su) & ANTH 1011L and Introduction to Biological Anthropology Laboratory (Fa)
- BIOL 1543 Principles of Biology (ACTS Equivalency = BIOL 1014 Lecture) (Sp, Su, Fa) & BIOL 1541M 1014 Lecture (Sp, Su, Fa) and Honors Principles of Biology Laboratory (Sp, Fa)
or BIOL 1543 Principles of Biology (ACTS Equivalency = BIOL 1014 Lecture) (Sp, Su, Fa) & BIOL 1541L Lecture (Sp, Su, Fa) and Principles of Biology Laboratory (ACTS Equivalency = BIOL 1014 Lab) (Sp, Su, Fa)
- BIOL 1603 Principles of Zoology (ACTS Equivalency = BIOL 1054 Lecture) (Su, Fa) & BIOL 1601M 1054 Lecture (Su, Fa) and Honors Principles of Zoology Laboratory (Fa)
or BIOL 1603 Principles of Zoology (ACTS Equivalency = BIOL 1054 Lecture) (Su, Fa) & BIOL 1601L Lecture (Su, Fa) and Principles of Zoology Laboratory (ACTS Equivalency = BIOL 1054 Lab) (Su, Fa)
- BIOL 1613 Plant Biology (ACTS Equivalency = BIOL 1034 Lecture) (Sp, Su) & BIOL 1611M Lecture (Sp, Su) and Honors Plant Biology Laboratory (Sp)
or BIOL 1613 Plant Biology (ACTS Equivalency = BIOL 1034 Lecture) (Sp, Su) & BIOL 1611L Lecture (Sp, Su) and Plant Biology Laboratory (ACTS Equivalency = BIOL 1034 Lab) (Sp, Su)
- BIOL 2013 General Microbiology (ACTS Equivalency = BIOL 2004 Lecture) (Sp, Su, Fa) & BIOL 2011M 2004 Lecture (Sp, Su, Fa) and Honors General Microbiology Laboratory (Sp, Su, Fa)
or BIOL 2013 General Microbiology (ACTS Equivalency = BIOL 2004 Lecture) (Sp, Su, Fa) & BIOL 2011L Lecture (Sp, Su, Fa) and General Microbiology Laboratory (ACTS Equivalency = BIOL 2004 Lab) (Sp, Su, Fa)
Bachelor of Science Degree

Requirements for Departmental Honors: Specific academic requirements including course work, participation in departmental honors colloquia or seminars, and independent study projects are established by the faculty of the individual departments or study areas and are approved by the Honors Council. However, all departmental honors students must have a 3.5 cumulative grade-point average, complete and defend an honors thesis, and take 12 hours (which may include six hours of thesis) in Honors Studies. Information concerning these requirements is given within each department’s catalog listings.

The following outlines the minimum academic requirements of the honors core curriculum for the B.S. degree program.

Honors Core Curriculum

Humanities and Social Sciences Option 1
Core – 18 hours; 9 hours must be at honors level

World Civilization

HIST 1113H Honors Institutions and Ideas of World Civilizations I (Irregular) 3
or HIST 1113 Institutions and Ideas of World Civilizations I (ACTS Equivalency = HIST 1113) (Sp, Fa)

HIST 1123H Honors Institutions and Ideas of World Civilizations II (Irregular) 3
or HIST 1123 Institutions and Ideas of World Civilizations II (ACTS Equivalency = HIST 1123) (Sp, Fa)

Fine Arts/World Literature/Philosophy

Nine hours selected from two different areas. 9

At least one course must be from fine arts.

Fine Arts

ARCH 1003H Honors Basic Course in the Arts: Architecture Lecture (Fa) 0
or ARCH 1003 Basic Course in the Arts: Architecture Lecture (Sp, Fa)

ARHS 1003H Honors Basic Course in the Arts: Art Lecture (Irregular) 0
or ARCH 1003 Basic Course in the Arts: Architecture Lecture (Sp, Fa)

COMM 1003H Honors Basic Course in the Arts: Film Lecture (Sp, Su, Fa) 0
or COMM 1003 Basic Course in the Arts: Film Lecture (Sp, Su, Fa)

DANC 1003H Honors Basic Course in the Arts: Movement and Dance (Sp, Su, Fa) 0
or DANC 1003 Basic Course in the Arts: Movement and Dance (Sp, Su, Fa)

DRAM 1003H Honors Basic Course in the Arts: Theatre Appreciation (Sp, Fa) 0
or DRAM 1003 Basic Course in the Arts: Theatre Appreciation (ACTS Equivalency = DRAM 1003) (Sp, Su, Fa)

MLIT 1003H or MLIT 1003 0

World Literature

WLIT 1113H Honors World Literature I (Sp, Su, Fa) 0
or WLIT 1113 World Literature I (ACTS Equivalency = ENGL 2113) (Sp, Su, Fa) 0
University of Arkansas

WLIT 1123H Honors World Literature II (Sp, Su, Fa)
or WLIT 1123 World Literature II (ACTS Equivalency = ENGL 2123) (Sp, Su, Fa)

Foreign Language Literature Course

Any Other WLIT Course

CLST 1003 Introduction to Classical Studies: Greece (Odd years, Fa)
CLST 1013 Introduction to Classical Studies: Rome (Even years, Sp)

Philosophy

PHIL 2003H Honors Introduction to Philosophy (Sp, Su, Fa)
or PHIL 2003 Introduction to Philosophy (ACTS Equivalency = PHIL 1103) (Sp, Su, Fa)

Social Sciences

Select one of the following: 3

ANTH 1023H Honors Introduction to Cultural Anthropology (Sp, Fa)
or ANTH 1023 Introduction to Cultural Anthropology (ACTS Equivalency = ANTH 2013) (Sp, Su, Fa)

ECON 2013H Honors Principles of Macroeconomics (Fa)
or ECON 2013 Principles of Macroeconomics (ACTS Equivalency = ECON 2103) (Sp, Su, Fa)

ECON 2023H Honors Principles of Microeconomics (Sp)
or ECON 2023 Principles of Microeconomics (ACTS Equivalency = ECON 2203) (Sp, Su, Fa)

GEOG 2003 World Regional Geography (ACTS Equivalency = GEOG 2103) (Sp, Fa)

PSYC 2003H Honors General Psychology (Sp, Fa)
or PSYC 2003 General Psychology (ACTS Equivalency = PSYC 1103) (Sp, Su, Fa)

SOCI 2013H Honors General Sociology (Sp, Su, Fa)
or SOCI 2013 General Sociology (ACTS Equivalency = SOCI 1013) (Sp, Su, Fa)

Total Hours 18

Students pursuing either option must also complete the following:

Honors Colloquium (one from each approved area): 9-10

Humanities Colloquium
Note: Students who complete the fourth semester of HUMN 2124H Honors Roots Culture will receive a 3-hour waiver for the Humanities Colloquium requirement.

Social Science Colloquium

Natural Science or Math Colloquium

Natural Sciences and Mathematics

Core – 20 hours; 16 hours must be at honors level 20

Complete sixteen honors hours from at least two of the five different areas below. At least one class from Area 5 is required, although not necessarily at the Honors level.

Natural Sciences 16

Area 1

ASTR 2003H Honors Survey of the Universe (Fa)
& ASTR 2001M Honors Survey of the Universe Laboratory (Fa)

PHYS 2054H Honors University Physics I (Sp, Su, Fa) (PHYS 2054H(M))

PHYS 2074H Honors University Physics II (Sp, Su, Fa) (PHYS 2074H(M))

Area 2

Colloquium in Humanities or
Students pursuing Humanities Option 2 who complete the fourth semester of Honors Roots Culture (HUMN 2124H) will receive a 3-hour waiver for the Humanities Colloquium requirement. Otherwise, they must choose course work from the humanities colloquia course listing. Course offerings vary each semester.

| Total Hours | 18-19 |

Students pursuing either option must also complete the following:

**World Language:** (depending upon placement) 0-6

See your adviser. Typically this is satisfied by completion of a 1013 Elementary II world language course.

**Social Science**

| 3 |

Select one of the following:

- ANTH 1023H  Honors Introduction to Cultural Anthropology (Sp, Fa)
- ECON 2013H  Honors Principles of Macroeconomics (Fa)
- ECON 2023H  Honors Principles of Microeconomics (Sp)
- PSYC 2003H  Honors General Psychology (Sp, Fa)
- SOCI 2013H  Honors General Sociology (Sp, Su, Fa)

**Colloquia in Social Sciences**

| 3 |

Course offerings vary each semester. See adviser.

**Natural Sciences**

| 8 |

Eight hours of honors credit to be chosen from the lab sciences. See adviser for specific science course listing.

**Mathematics**

| 3-4 |

Fulbright Scholars must fulfill the math requirement with one of the following:

- MATH 2043  Survey of Calculus (ACTS Equivalency = MATH 2203) (Sp, Su, Fa)
- MATH 2053  Finite Mathematics (Sp, Su, Fa)
- MATH 2183  Mathematical Reasoning in a Quantitative World (ACTS Equivalency = MATH 1003) (Sp, Fa)
- MATH 2554  Calculus I (ACTS Equivalency = MATH 2405) (Sp, Su, Fa)

| Total Hours | 17-24 |

### Bachelor of Fine Arts Degree

Specific academic requirements including course work, participation in departmental honors colloquia or seminars, and independent study projects are established by the faculty of the individual departments or study areas and are approved by the Honors Council. However, all departmental honors students must have a 3.5 cumulative grade-point average, complete and defend an honors thesis, and take 12 hours (which may include six hours of thesis) in Honors Studies. Information concerning these requirements is given within each department's catalog listings.

The following outlines the minimum academic requirements of the honors core curriculum for the B.F.A. degree program.

### Honors Core Curriculum

#### Humanities Option 1

| 3 |

| HIST 1113H  | 3 |
| HIST 1123H  | 3 |

| World Literature |  |

**Fine Arts, World Literature II, and Philosophy**

Select two of the following from two different areas:

**Fine Arts**

- COMM 1003H  Honors Basic Course in the Arts: Film Lecture (Sp, Su, Fa)
- DANC 1003H  Honors Basic Course in the Arts: Movement and Dance (Sp, Su, Fa)
- DRAM 1003H  Honors Basic Course in the Arts: Theatre Appreciation (Sp, Fa)
- MLIT 1003H  |

**Philosophy**

- PHIL 2003H  Honors Introduction to Philosophy (Sp, Su, Fa)  |

**World Literature II**

- WLIT 1123H  Honors World Literature II (Sp, Su, Fa)  |

**Colloquium in Humanities**

| 3 |

Course offerings vary each semester.

| Total Hours | 18 |

**Humanities Option 2**

**Honors Roots of Culture**

| 4 |

HUMN 1114H  |

HUMN 1124H  |

HUMN 2114H  |

**Honors Roots of Culture, Philosophy, Humanities Colloquium**

| 6-7 |

Select two of the following:

- HUMN 2124H  Honors Twentieth Century Global Culture (Sp)
- PHIL 2003H  Honors Introduction to Philosophy (Sp, Su, Fa)

Colloquium in Humanities—Humans colloquium course offerings vary each semester.

| Total Hours | 18-19 |

Students pursuing either option must also complete the following:

**World Language:** (depending on placement) 0-9

See your adviser. (This is usually accomplished by successful completion of a 2003 Intermediate I world language course.)

| 3 |

**Social Science**

- ANTH 1023H  Honors Introduction to Cultural Anthropology (Sp, Fa)
- ECON 2013H  Honors Principles of Macroeconomics (Fa)
- ECON 2023H  Honors Principles of Microeconomics (Sp)
- ECON 2013 & ECON 2023  Principles of Macroeconomics (ACTS Equivalency = ECON 2103) (Sp, Su, Fa) and Principles of Microeconomics (ACTS Equivalency = ECON 2203) (Sp, Su, Fa)
- PSYC 2003H  Honors General Psychology (Sp, Fa)
- SOCI 2013H  Honors General Sociology (Sp, Su, Fa)

**Colloquia in Social Sciences**

| 6 |

Must be selected from two different areas of social sciences. Course offerings vary each semester. See adviser.

| Natural Science | 8 |

Eight hours of honors to be chosen from lab sciences. See adviser for specific science course listing.
