Center for Community Engagement

The purpose of the Center for Community Engagement is to promote civic engagement and leadership by connecting University of Arkansas students, faculty, and staff with nonprofit organizations in the Northwest Arkansas area and beyond.

In order to serve this purpose, the center maintains uark.givepulse.com (http://volunteer.uark.edu), which enables the University of Arkansas community to search for agencies and volunteer opportunities. It allows users to log volunteer hours, or “impacts,” and earn opportunities for community recognition, such as the Presidential Volunteer Service Award and Chancellor’s Community Service Award. Northwest Arkansas agencies and University of Arkansas registered student organizations also utilize the site to post service opportunities and recruit volunteers. Over 350 organizations and subgroups are registered on the site, such as Habitat for Humanity, Uark Cardinal Nights, and Potter’s House Thrift.
Volunteer Action Center

The Center for Community Engagement also houses the Volunteer Action Center, a student-led volunteer coordination board with 45 members who are dedicated to active service in the community. Each year the Volunteer Action Center provides meaningful service opportunities through events and ongoing projects that engage the university and Northwest Arkansas communities. The Volunteer Action Center sponsors programs and events including the Jane B. Gearhart Full Circle Food Pantry, Make a Difference Day, Dream B.I.G. (Believing in Girls) Mentoring Program, VAC Literacy Program, and Razorback Food Recovery. The Jane B. Gearhart Full Circle Campus Food Pantry is a nationally recognized program; the pantry serves students, staff and their families. Requests and more information can be found at fullcircle.uark.edu.

Get involved in the following ways:
- Drop by the Center for Community Engagement, Arkansas Union, Room A643, and chat with the office’s great staff and students.
- Look for service opportunities on uark.givepulse.com (http://volunteer.uark.edu) and log your hours. Just ten hours makes you a VAC member.
- Participate in events hosted by Volunteer Action Center and the Center for Community Engagement throughout the year.
- Become a Volunteer Action Center board member or weekly program volunteer. Applications are accepted each semester.

Housing and Dining
**University Housing**
University Housing is committed to providing a safe, comfortable, convenient, and reasonably priced living and learning environment that promotes student success.

Success on Campus
National research shows that academic success in the first year and beyond is directly linked to residing in an on-campus residence environment. The University of Arkansas recognizes the benefits that students receive from living on campus their first year.

**Freshman Residency Requirement**
All single students who are admitted to the university with a freshman classification and under 21 years of age are required to live on campus in a residence hall, or in their parent or legal guardian’s permanent home.

Students who are admitted to the University of Arkansas as transfer students from another post-secondary institution, and who have completed at least 24 credit hours at that institution are not required to live on campus.

Requests for a newly admitted freshmen to live somewhere other than with parents or a legal guardian in their permanent home will not be approved under most circumstances.

Students planning to live with their parents or legal guardian in their permanent home should complete the Living with Parent Notification form prior to attending an orientation session.

Students requesting an exemption from the University of Arkansas Freshmen Residency Requirement (http://housing.uark.edu/Freshmen_Residency_Requirement.php) should send all required paperwork to University Housing at least three weeks prior to attending an orientation session. This ensures the student receives approval or denial prior to attending orientation.

Failure to do so could cause long delays in the orientation process. Students who need a Living with Parent Notification Form or who wish to
apply for an exemption to the university’s requirement for single freshmen to live on campus may refer to the information on the Housing website (http://housing.uark.edu/Contracting/contracts.php), call University Housing at 479-575-3951 or email housing@uark.edu.

Residence Hall Leadership

Residence Halls are managed by a full-time coordinator for residence education, or CRE, who has completed a master’s degree program in higher education, counseling or a related degree. This individual is selected for his or her academic credentials and interest in helping others as well as his or her ability to work well with college students.

In addition, every area or floor is staffed by a resident assistant, or RA, who is an upper-class student with the knowledge to answer students’ questions and help students find their own answers.

Counselors in residence (doctoral graduate assistants) provide short-term counseling for students living in the residence halls in response to personal, social, academic, and developmental needs.

Living Learning Communities

University Housing offers several innovative Living Learning Communities (http://housing.uark.edu/Residence_Education/Living_Learning), or LLCs, for students. These communities enhance student’s academic success.

In an LLC, students get to live with peers who have similar interests, majors, or career plans. Living Learning Communities do not cost extra. LCC members have the opportunity to participate in fun experiences that connect learning in and out of the classroom.

Some of the initiatives include faculty-led events, major specific academic learning teams, more general thematic learning communities and other programs that assist students in their academic endeavors.

Living Facility Options

Living options include traditional halls, suites and apartments with designations of single-gender or co-ed. Rooms are available for visually or hearing-impaired students as well as those who are physically challenged (http://housing.uark.edu/disability-accommodation.php).

Residence hall entry/exit doors are secured and/or monitored 24 hours a day. Some entries are unlocked to accommodate offices housed in our facilities and classes that are held in our classrooms. Most, but not all, of these areas have interior doors that secure the living floors.

Residents are provided access via an electronic access system. Students should be careful not to allow non-residents to follow them into their residence hall. Residents are provided access via a fob issued when they check-in. Students are responsible for escorting all visitors and guests at all times.

Campus Dining

Each of the three separate dining facilities (http://housing.uark.edu/campus_communities/dining_rates.php) on campus is managed by Campus Dining Services and provides a natural setting for socializing with friends and enjoying a wide variety of high quality, nutritious meals. All students living in a residence hall, except those residing in summer school housing, are required to have a meal plan. There are several meal plans available to meet the needs of both on-campus and off-campus students.

Learn more about Campus Dining Services online at campus dining services (http://dineoncampus.com/razorbacks).

Inclusion and Leadership Center for Multicultural and Diversity Education

The Center for Multicultural and Diversity Education provides academic, cultural and social programs intended to promote inclusiveness, foster achievement and assist in the development and advancement of a diverse student body.

Talent Search is a federal TRIO program funded by the U.S. Department of Education. The University of Arkansas has three Talent Search grant projects which serve distinct target areas in Benton, Carroll, Crawford, Sebastian and Washington counties in Arkansas, and McDonald County, Missouri. At least two-thirds of students served by the programs must be low-income and in the first generation of their family to attend college.

For additional information and a full listing of target schools, visit the Talent Search website (http://talentsearch.uark.edu).

The Talent Search Programs office is located at the university’s Uptown Campus East, 1083 E. Sain Street, UPTE 128, Fayetteville, Arkansas. Call 479-575-3553 for more information.
Upward Bound
Upward Bound and Upward Bound Math and Science

These programs bring high school students in grades 9 – 12 to the University of Arkansas campus on weekends and during the summer to receive instruction in mathematics, laboratory sciences, composition, literature, and foreign languages. The programs also provide academic and social support through tutoring, counseling, mentoring, cultural enrichment, financial literacy, field trips, college planning, and financial aid assistance. Student Life
Reasonable Accommodations for Students with Disabilities

The Center for Educational Access, 209 Arkansas Union, is the central campus resource for students who require reasonable accommodations in order to access the programs, services and activities offered through the University of Arkansas. The center’s staff work in partnership with the individual student to communicate and facilitate any accommodation needs for faculty and staff. Accommodation determination is based in part on medical or psychological documentation provided to the Center for Educational Access by the student. Students must meet with one of the center’s staff for an access plan meeting to discuss their needs and provide such documentation before any accommodations can be granted.

To register for services or for more information, contact the Center for Educational Access, University of Arkansas, 209 ARKU, Fayetteville, AR 72701, phone 479-575-3104; e-mail: ada@uark.edu; Web: Center for Educational Access (http://cea.uark.edu) (online request for services available).

Off-Campus Student Services
Off-Campus Student Services (OCSV)

Off-Campus Student Services (formerly Off Campus Connections) provides friendly and helpful resources, services and programs for off-campus undergraduates. Off-campus students are defined as undergraduates not living in a residence hall, fraternity, or sorority house. For information, visit the Off-Campus Student Services website (http://occ.uark.edu), make an appointment with a staff member in Arkansas Union Room 632, email iliveoff@uark.edu, or call 479-575-7351.

OCSV emphasizes two major priorities:

• Freshman Commuter Programs
• Off-Campus Living Education and Services

The University of Arkansas has more than 16,000 undergraduates living off-campus. Some off-campus students live near the university while others commute from hours away. Some students take advantage of online classes or majors and seldom visit campus. It is important that students living off-campus feel as welcome as students living on-campus. Ongoing communication with off-campus students is important, so they know how to be an active part of the campus community as their schedule and other commitments allow. Additional challenges are faced by off-campus students and they need support from those who understand the differences they face.

Freshman Commuters are first-time, full-time, degree-seeking students who live at home with a parent or guardian during their first year of college. Off-Campus Student Services reaches out to more than 500 commuter freshmen each summer and fall to share campus and academic resources, to provide opportunities to meet other cohort members, and to share mentorship and connection opportunities.

Finding a place to live is a basic need for many students after their freshman year. To help meet the needs of those students looking for housing near campus, OCSV provides the official, searchable off-campus housing website: officampushousing.uark.edu. The website is free for student use, and properties on the site have an interest in student tenants. Off-Campus Living Fairs and educational resources are also offered on the site to prepare those who are planning to live on their own for the first time in our local community. Students can search for a roommate or someone to sublease when they plan to study abroad.

Off-Campus Meal Plans have proven important to student success. Meal plans of various prices have been designed to meet off-campus students' needs for eating while on campus for class, work, or other activities. Meal plans are available for purchase through a link provided on the Off-Campus Student Services website (http://occ.uark.edu). Around 4,000 meal plans are purchased each year by off-campus students. Having a meal plan encourages students to eat regular meals so they can better focus on academics. Meal plans are charged to a student’s account, so costs may be covered with scholarships, financial aid awards, or paid out with tuition payments.

An Off-Campus Student Services Commuter Office — with a refrigerator, microwave, television, study tables and office spaces — is located on the Sixth Floor West of the Arkansas Union. Timely tips and information about jobs, deadlines, campus, and community life are shared through a weekly electronic newsletter published and emailed to off-campus undergraduates throughout the fall and spring semesters.
Off-Campus Student Services’ desire is for each student living off-campus to feel an important part of the University of Arkansas, earn at least one degree, and have their name forever inscribed on the historic Senior Walk.

Office of Student Standards and Conduct
It is the vision of the Office of Student Standards and Conduct to foster a campus community that values citizenship, personal and civic responsibility, peer accountability, and care/concern for the university and surrounding communities.

The mission of the Office of Student Standards and Conduct (OSSC) is to create a safe and inclusive community by upholding the Code of Student Life, which promotes responsibility, accountability, and student learning through:

- Educational opportunities and outreach.
- The adjudication of Code of Student Life violations.
- Providing a consistent, fair, equitable, educational, student conduct process.
- The development of ethics and adherence to personal values.
- Education on the norms and values of the University of Arkansas.

Students who are interested in involvement with the All-University Conduct Board should contact the Director of OSSC at judicial@uark.edu. The All-University Conduct Board comprises faculty, staff, and students and is responsible for the adjudication of cases of alleged student misconduct as outlined in the Code of Student Life. This board is an advanced leadership opportunity for students who would like to gain valuable experience working with faculty and staff on an impartial peer review board.

For more information regarding the Code of Student Life, please see the Student Handbook at handbook.uark.edu. The Office of Student Standards and Conduct is located in Pomfret B 110, phone 479-575-5170; Web: ethics.uark.edu.

Veteran Resource and Information Center
The University of Arkansas Veterans Resource and Information Center contributes to the academic and professional success of current and prospective student veterans and their dependents by providing innovative resources and support; assisting with military educational benefits; and by serving as a central “Rally Point” for a seamless collaboration among various departments within the University of Arkansas, the U.S. Department of Veterans Affairs, and the diverse network of community partners supporting veterans.

Veterans and dependents of service members may be eligible to receive monthly educational assistance from the Veterans Administration while enrolled at the University of Arkansas. For more information, including GI Bill eligibility and scholarship opportunities, contact the Veterans Resource and Information Center at vric@uark.edu or 479-575-8742. Students may also visit the center at the Garland Center Shops, suites 115 and 116 or online at veteranscenter.uark.edu.

Student Media
The Office of Student Media administers and advises the official student media outlets of the university. These outlets are: the student newspaper, The Arkansas Traveler; the University of Arkansas yearbook, the Razorback; the student magazine, The Hill; the student television station, UATV; the student radio station, KXUA; and the student advertising agency, Main Hill Media. All provide a forum for student expression, entertainment, news and information of interest to the campus community. Other than a small professional support staff, these groups are entirely staffed by student employees and volunteers, including editors and station managers. For more information, contact Student Media at 479-575-3406.
