Human Resource and Workforce Development Education (HRWD)

Courses

An overview of human resource and workforce development (HRWD) in organizations. Focus on the integration of training and development, career development, and organization development. Topics include strategic planning for human resource and workforce development, needs assessment, program development, application of workplace learning theories, career development theories and methods, and application of organization learning theories.

HRWD 5123. Career Transitions (Sp). 3 Hours.
This advanced level course is intended for career development professionals and/or subject-matter experts interested in improving their career development skills within a structured or unstructured learning environment. The emphasis in this course is on gaining career development techniques and planning formal and informal career development strategies for the individual or the organization.

HRWD 5133. HRWD Diversity Issues (Fa). 3 Hours.
This course emphasis is on current trends and case studies of diversity in the workplace. Prerequisite: Graduate standing.

HRWD 5213. Organizational Analysis (Sp, Su). 3 Hours.
This course introduces the analysis process in organizations. The instruction and activities will enable students to develop skills in conducting organizational needs analysis (OA) as a basis for performance improvement in the workplace.

HRWD 5223. Strategic Human Resource and Workforce Development Education (Fa). 3 Hours.
A comprehensive examination of the issues, topics, principles, theories, philosophies and concepts facing tomorrow's HRD professionals. Includes the transformation of strategic HRD; the role of strategic HRD leaders as change agents; the principles of strategic HRD; professional practice do mains of strategic HRD; organizational learning, performance, and change; and analysis, design, and evaluation of HPI interventions. Students will identify practices for informing decisions related to the formation of strategic HRD planning and implementation efforts.

HRWD 5233. HRWD Employment, Legal, and Ethical Issues (Sp). 3 Hours.
This course focuses on employment, legal and ethical issues within the workplace. Students will gain knowledge that should enable them to be effective in understanding current employment concerns, equal employment opportunity (EEO) laws, and ethical practices within the workplace and how these employment concerns, laws, and practices impact society.

HRWD 5313. Facilitating Learning in the Workplace (Sp). 3 Hours.
Facilitation of learning and performance improvement in the workplace. Application of instructional methods, formal and informal learning strategies, coaching, team building, and formal and informal on-the-job learning tactics. Focus on facilitating individual and group learning to affect organizational change.

HRWD 5323. International HRWD (Fa). 3 Hours.
Exploration of how globalization and culture affect the workplace and the human resource development profession. Difference between global HRD and HRD practiced in a single country. Impact of culture on every aspect of HRD implementation and practice. Examination of HRD practices in different regions of the world.

HRWD 5333. HRWD Technological Resources (Fa). 3 Hours.
This course provides students with the tools and abilities to evaluate and understand technology resources used in HRWD. Primary course elements are instructional design characteristics of technology, theoretical and practical uses of technology resources to facilitate and manage learning, and selecting the best or most appropriate technological resources. The course uses online technologies and learning experiences.

HRWD 5433. HRWD Capstone (Sp, Su, Fa). 3 Hours.
This course is the final course for the degree in Human Resource and Workforce Development. Students will be assessed on their overall knowledge and understanding of the field. The focus of this course will be research and analysis of classic works and current trends. Prereq: 27 MED credit hours completed.

HRWD 571V. Independent Study (Irregular). 1-3 Hour.
May be repeated for up to 3 hours of degree credit.

HRWD 572V. Workshop (Irregular). 1-3 Hour.
Prerequisite: Advanced graduate standing. May be repeated for up to 3 hours of degree credit.

HRWD 573V. Experiential Learning (Irregular). 1-18 Hour.
This course is designed for the student to attain paid or unpaid experiential development. May be repeated for up to 18 hours of degree credit.

HRWD 6313. Project and Program Evaluation (Even years, Sp). 3 Hours.
This course is a doctoral level course designed as an introduction to project and program evaluation in human resource and workforce development. Emphasis is on (a) project design and development, (b) program development and improvement, and (c) the integration of evaluation with strategic planning and performance improvement.

HRWD 6323. Qualitative Research Design and Analysis (Even years, Sp). 3 Hours.
This course is designed to introduce HRWD students to qualitative research design, data collection and data analysis. Course content includes data collection through interviews, field observation, records research, ethical issues associated with conducting research in organizational settings, and internal and external validity problems. Prerequisite: ESRM 5013 and ESRM 6403.

HRWD 6333. Quantitative Research Design and Analysis (Even years, Fa). 3 Hours.
This course provides HRWD students with the tools and abilities to design and implement an original research project using quantitative measures. Primary course elements are research design application, theoretical settings of research, and nesting research within an appropriate literature base. The course uses online technologies and on-campus learning experiences. Prerequisite: ESRM 5013 and ESRM 6403.

HRWD 6343. Principles and Techniques of Research in HRWD (Even years, Fa). 3 Hours.
This course addresses the principles and techniques underlying organizational research, both experimental and non-experimental. It covers the basic philosophy of science and research methods and gives attention to the practical problems of design, data collection sampling, and data analysis. Prerequisite: ESRM 5013 and ESRM 6403.

HRWD 6413. Career Theory and Decision Making (Fa). 3 Hours.
This course focuses on comprehensive understanding of career theory and decision making to enhance career development that emphasizes technology, cross-cultural issues, practical application, and the global economy. Career development in both the private and public sectors will be explored. Students will gain knowledge that should enable them to be effective in developing their careers and those of others using multicultural considerations and a global perspective.
HRWD 6423. Practicum (Irregular). 3 Hours.
Practicum is designed to allow doctoral students in workforce development education an opportunity to apply the theoretical knowledge, skills and abilities to training, teaching, or research projects. May be repeated for up to 6 hours of degree credit.

HRWD 6513. Organization Development (Odd years, Su). 3 Hours.
This course teaches development of organization activities that intervene in the interaction of people systems to increase the effectiveness of using a variety of applied behavioral sciences. It includes the dynamics of organizations, the genesis of organizational theory and evolution of organizational dynamics, including examination of system structure, chaos theory, group dynamics and interaction, leadership theories, diversity issues impacting organizations, and techniques of change agent intervention.

HRWD 6523. Leadership Models and Concepts (Odd years, Fa). 3 Hours.
This doctoral course concentrates on using commonly accepted principles of leadership to develop skills needed in workforce development education settings.

HRWD 6533. HRWD Ethical and Legal Issues (Fa). 3 Hours.
Focuses on ethical and legal issues within the workplace and behavioral science research. Students gain knowledge that should enable them to be effective in understanding ethical and legal issues within their workplace and how they can impact society.

HRWD 6613. Learning and Teaching Theories (Odd years, Sp). 3 Hours.
Models and philosophies of important theorists in the field of teaching and learning.

HRWD 6633. Technology Systems in Human Resource and Workforce Development (Odd years, Fa). 3 Hours.
This course provides students with the tools and abilities to evaluate and understand technology systems in HRWD. Primary course elements are instructional design characteristics of technology systems, theoretical and practical settings that use technology systems to facilitate and manage learning, and selecting the best or most appropriate system for organizational use. The course uses online technologies and learning experiences.

HRWD 6643. History and Foundations of HRWD (Even years, Fa). 3 Hours.
This course focuses on the history of human resource development as a practice and a profession. Particular emphasis in this course is placed on the influence of philosophy on developing HRD theory and practice. As students progress through this course they can expect to gain greater understanding of how HRD developed as a profession, the historical root of its theory and practice, and an understanding of how to evaluate the philosophical assumptions of current HRD theory and practice.

HRWD 6713. HRWD Curriculum Design (Su). 3 Hours.
Determining principles of curriculum development, implementation, and evaluation with emphasis in human resource development education.

HRWD 6723. Entrepreneurial Development (Irregular). 3 Hours.
An advanced graduate-level course examining the history, economics, theory and practice of developing Entrepreneurial enterprises. This course presents an overview of the business and organizational systems with which an entrepreneur should be familiar.

HRWD 700V. Doctoral Dissertation (Sp, Su, Fa). 1-18 Hour.
Doctoral Dissertation. Prerequisite: Candidacy. May be repeated for degree credit.
