

# Fee and General Information

Educational expenses will vary according to a student's course of study, personal needs, and place of residence. Student progress or general course of action in pursuit of higher education at the University of Arkansas is determined during the application and acceptance process. At the conclusion of the application and acceptance process, the progress or general course of action for each student will be assigned a category, called a career.

The career categories at the University of Arkansas — in order of magnitude by the cost of tuition per credit hour — are Agricultural & Food Law, Law, Graduate, and Undergraduate. Students concurrently enrolled in multiple careers will be assigned one primary career for all tuition billing purposes, called a billing career, based on the order of magnitude listed above. The Office of the Registrar is responsible for assigning the appropriate billing career. Students pursuing an Undergraduate career will also be classified by undergraduate program. The undergraduate programs of College of Education and Health Professions' plan of Nursing and the Fay Jones School of Architecture and Design's undergraduate program of Architecture have specific tuition rates, while all other undergraduate programs are the Undergraduate tuition rate. Similar to career, although a student may be concurrently enrolled in multiple undergraduate programs, the Office of the Registrar will assign each student only one primary undergraduate program for tuition billing purposes based on the order of magnitude by the cost of tuition per credit hour. All fees, charges, and costs quoted in this catalog are subject to change without notice. A survey tool for tuition and fee estimation is available at the Treasurer's website (<http://treasurer.uark.edu/Tuition.asp?pagestate=Estimate>).

Financial obligations to the University of Arkansas must be satisfied by the established deadlines. Echeck (electronic check) and credit/debit payments are made online at UAConnect (<http://uaconnect.uark.edu>). If you pay with a debit or credit card, there is a convenience fee charged of 1.8 percent.

Acceptance of payment for fees does not imply academic acceptance to the university.

Board policies relating to residency status for fee payment purposes are included at the end of this chapter of the catalog. Out-of-state students who question their residency classification are encouraged to contact the Registrar's Office, 146 Silas H. Hunt Hall, for more information about residency classification review procedures.

## Fee Adjustments

A currently enrolled student who has registered during the advance registration period should make any necessary or desired schedule adjustments such as adding or dropping courses or changing course sections during the schedule-adjustment period of the same semester. Students who drop classes will have their fees adjusted according to Fayetteville Policies and Procedures 330.0 – Tuition and Fee Adjustment Policy for Dropping Classes (<https://vcfa.uark.edu/policies/fayetteville/avcf/3300.php>). Drops and withdrawals are two different functions. In a drop process, the student remains enrolled. The result of the withdrawal process is that the student is no longer enrolled for the term. Fee adjustment deadlines for an official withdrawal are noted in Fayetteville Policies and Procedures 518.0 – Tuition and Fee Adjustment Policy for Official Withdrawal (<https://vcfa.uark.edu/policies/fayetteville/avcf/5180.php>).

## Student Invoices

Students who pre-register for a semester will be invoiced approximately six weeks prior to the first day of classes. The Treasurer's Office will send out an e-mail notification when the student invoices are available on UAConnect. Students should log into UAConnect (<http://uaconnect.uark.edu>), navigate to the Treasurer's Office tile, and click the 'Student Invoice' link.

## Late Fees

Students are required to pay all charges by the posted payment deadline. Students who fail to pay all charges or who fail to execute an installment

payment plan by the deadline may be assessed a late payment fee equal to the outstanding balance, not to exceed \$75.00.

Any student with an outstanding balance, to include registration-related fees and/or housing charges, by the last payment deadline will be assessed an additional late payment fee equal to the outstanding balance, not to exceed \$75.00.

The late fee will not be waived because an invoice was not received.

## Disbursement of Refunds

Disbursement of refunds due to overpayments by scholarships, loans, and/or grants will begin approximately five days prior to the start of classes. The University of Arkansas delivers your refund with BankMobile Disbursements, a technology solution, powered by BMTX, Inc. Visit the BankMobile Disbursements site for more information (<https://disbursements.bmtx.com/refundchoicessso/>).

## Addresses

Students may create a check address, which will be used specifically for overpayment checks. This address may be created in addition to the local and permanent addresses. If a check address is not created, the default address will be the permanent address. The student may change their address on UAConnect (<http://uaconnect.uark.edu>) in the Student Center.

## Teaching Equipment and Laboratory Enhancements Fees

These fees provide and maintain state-of-the-art classroom equipment and instructional laboratory equipment. These fees vary, based upon the student's college of enrollment.

During the regular fall, spring and summer academic semesters, these fees are assessed on a per credit hour basis.

| College or School                    | Per Credit Hour Fee |

## Students Called into Active Military Service

When a student or student's spouse is activated for full-time military service and is required to cease attending the University of Arkansas without completing and receiving a grade in one or more courses, they shall receive compensation for the resulting monetary loss as provided by Fayetteville Policy 504.2 (<http://vcfa.uark.edu/policies/fayetteville/avcf/5042.php>). The student must cease attendance because 1) the student is activated or deployed by the military or 2) the student's spouse is activated or deployed by the military and the student or student's spouse has dependent children residing in the household.

To be eligible for the compensation, the student must provide, prior to activation or deployment for military service, an original or official copy of the military activation or deployment orders to the university's Veterans Resource and Information Center. A student whose spouse is a service member shall provide proof of registration with the Defense Enrollment Eligibility Reporting System (DEERS) of the U.S. Department of the

Defense that establishes that dependent children reside in the household of the student and the service member.

Upon leaving the University of Arkansas because of active duty or deployment, the student may choose one of three compensatory options. The student may officially withdraw and receive full adjustment and refund of tuition and non-consumable fees for the term involved; the student can remain enrolled and arrange for a mark of "Incomplete" for each class and finish the courses 12 months after deactivation; or the student may receive free tuition and fees for one semester after deactivation. For more detailed information, read Fayetteville Policy 504.2 (<http://vcfa.uark.edu/policies/fayetteville/avcf/5042.php>).

## Financial Assistance

### Registration (in-state tuition) fees and Non-Resident Tuition for Graduate Assistants

**Registration Fee.** Any graduate student appointed to the position of Graduate Assistant whose appointment is equal to or greater than 50 percent may be granted registration fees (in-state tuition) in addition to the stipend.

**Non-Resident Tuition.** Any graduate student appointed to the position of Graduate Assistant whose percent appointment is equal to or greater than 25 percent shall, in addition to any stipend, be treated as an in-state student for tuition and fee purposes for the semester that they are on appointment.

### Graduate Assistantships

Graduate assistantships are available for qualified students in numerous fields and must be obtained from the department in which the student is majoring or another appropriate unit. Recipients of these appointments are expected to carry a limited program of graduate studies. Graduate students appointed to the position of graduate assistant whose appointment is equal to or greater than 25 percent shall, in addition to any stipend, be classified as an in-state student for tuition and fee purposes only. In addition, in-state registration (tuition) fees may be paid for appointees of 50 percent or more although tuition is normally not paid for audited courses. Successful applicants must have good academic records, adequate preparation for graduate study in their major field, regular admission to the Graduate School, and must maintain a cumulative grade-point average of at least 2.85 on all work taken for graduate credit, although some departments may require their graduate assistants to maintain a higher grade point average. See probation policy below.

Graduate students on 50 percent appointment must be enrolled in a minimum of six hours of graduate credit in each fall and spring semester and a minimum of three hours during the summer if on summer appointment. For the full policy, see the Graduate School Handbook, available on the Graduate School website at [grad.uark.edu](http://grad.uark.edu) (<http://grad.uark.edu/>).

Master's students may hold a graduate assistantship for no more than six major (fall/spring) semesters; a doctoral student may hold a graduate assistantship for no more than ten major (fall/spring) semesters; a student who enters a doctoral program with only a baccalaureate degree may hold a graduate assistantship for no more than twelve major (fall/spring) semesters. The department/program may petition the Graduate School for an extension to these time limits, on a case by case basis.

Application forms may be obtained from the Dean of the Graduate School or from the head or chair of the department in which the student seeks to do their major work.

Information on other financial aid (loans and employment) can be obtained at the Office of Scholarships and Financial Aid in Hunt Hall.

## Graduate School Fellowships

Exceptionally promising new entrants to doctoral programs may be nominated at the time of application for University Doctoral Fellowships. These Fellowships are awarded competitively, and the stipend may be held in addition to a graduate assistantship.

Students on academic probation who have been in residence at UA Fayetteville for two or more semesters will not be allowed to receive a doctoral fellowship.

The Benjamin Franklin Lever Fellowship is designed to enhance access to graduate education by providing financial assistance to students who meet one or more of the following criteria: have significant financial need, are first-generation college students, have a history of overcoming challenges, or originate from a geographic area that is less well-represented at the university. To accomplish these purposes, the program funds a limited number of fellowships to qualified incoming graduate students who enroll in an on-campus program at the University of Arkansas, Fayetteville campus.

Contact the Graduate School, 340 N. Campus Drive, Gearhart Hall 213, (479) 575-4401, for further information about the University Doctoral and the Benjamin Franklin Lever Fellowships.

## Eligibility for Continuing Financial Aid

Graduate students are eligible for continuing financial aid through the Office of Financial Aid (e.g., student loans) if:

1. the student completes, with grades of "C" or better, 67 percent of graduate courses attempted at the University, and
2. the student has not yet completed more than 150 percent of the graduate credits required for his/her degree.

Students wishing to continue receiving financial aid who do not meet these requirements will petition the Student Aid Committee.

## Academic Probation Policy for Graduate Students

Whenever a regularly admitted graduate student earns a cumulative grade-point average below 2.85 on graded course work taken in residence for graduate credit, he/she will be warned of the possibility of academic dismissal. When a graduate student has accumulated a minimum of 15 hours of graded course work taken in residence for graduate credit with a cumulative grade-point average below 2.85 and has received at least one warning, he/she will be academically dismissed from the Graduate School. This policy is effective with students entering the Graduate School in Fall 2002, or later. For the policy in effect before this time, contact the Graduate School.

Graduate teaching and research assistants and students on Lever, Doctoral, or other Graduate School fellowships must maintain a CGPA of at least 2.85 on all course work taken for graduate credit. If a student's CGPA falls below 2.85 on six or more hours of graduate work (one full-time semester), notification will be sent to the students and their department. If the CGPA is below 2.85 at the end of the next major semester (fall or spring), the department will not be allowed to appoint the

student to an assistantship until such time as their CGPA has been raised to the required level.

Veteran Benefits

The University of Arkansas is approved by the Arkansas Department of Education for veterans and veterans' beneficiaries who are working toward a degree. Veterans of recent military service, service members, members of reserve units, and the dependents of certain other servicemen may be entitled to educational assistance payments under the following programs: Post 911, Title 38, Chapter 30, Montgomery GI Bill® for Veterans; Title 38, Chapter 32, Veterans Educational Assistance Program (VEAP); Title 38, Chapter 35, Survivors and Dependents Education; and Title 10, Chapter 106, Montgomery GI Selected Reserves.

Waiver of Tuition and Fees for Senior Citizens

Arkansas residents who are 60 years of age or older and show proper proof of age may choose to have on-campus tuition and fees waived for on-campus courses under the senior citizen waiver of fees. Admission and enrollment under these conditions is open only on a "space available" basis in existing classes and students choosing to use this waiver may not register until just prior to the beginning of the term.

The University of Arkansas reserves the right to withhold transcripts or priority registration privileges, to refuse registration, and to withhold

diplomas for students or former students who have not fulfilled their financial obligations to the University. These services may also be denied students or former students who fail to comply with the rules governing the audit of student organization accounts or to return property entrusted to them.
