Degrees Conferred:  
M.Ed. in Physical Education (PHED)

Program Description: The Master of Education degree in Physical Education is a 33-credit-hour program that includes a 6-credit-hour research component (statistics/research) and a 27-credit-hour program core. All degree candidates must successfully pass a culminating written comprehensive examination and achieve a minimum of 3.0/4.0 GPA to graduate. Two courses using Web technology (Blackboard and other online resources) will be offered every semester (Fall, Spring, Summer) and the entire degree program can be completed in a two-year period. The online Master of Education Degree program is designed to meet the needs of current professionals in the field (physical education teachers, athletic directors, coaches) who desire to attain further education and an advanced degree in physical education.

Prerequisites to the M.Ed. Degree Program: For acceptance to the master’s degree program in physical education, the program area stipulates, in addition to the general requirements of the Graduate School, an undergraduate degree in physical education or in a related field. Additional prerequisites may be prescribed by the program area.

Requirements for the Master’s of Education Degree: Candidates for the master’s degree in physical education must complete 27 semester hours of graduate work and either a thesis or 33 semester hours without a thesis. In addition to the program requirements listed below, all candidates must successfully complete a written comprehensive examination.

Physical Education: (33 hours)

PHED 5243 Sport Skill Assessment and Instructional Strategies (Odd years, Fa) 3 Hours.

PHED 5233. Research on Teaching in Physical Education (Odd years, Fa). 3 Hours.

A review of contemporary research literature informing effective teaching practices in physical education settings. Students gain experience in critically reviewing literature in physical education as well as related behavioral science, education, and humanities disciplines; emphasis is placed in incorporating research finding into personal teaching strategies.

PHED 5243. Sport Skill Assessment and Instructional Strategies (Odd years, Su). 3 Hours.

The focus of this course is practical assessment techniques and instructional strategies in the area of sport and physical education activities.

PHED 5253. The Physical Education Curriculum (Even years, Fa). 3 Hours.

Principles, problems, procedures, and the influence of educational philosophy on programs in physical education and their application in the construction of a course of study for a specific situation.

PHED 5273. Professional Issues in Physical Education and Sport (Even years, Fa). 3 Hours.

A review of contemporary research literature informing effective teaching practices in physical education settings. Students gain experience in critically reviewing literature and discussing current issues.

PHED 5313. Risk Management in Physical Education & Athletics (Even years, Su). 3 Hours.

This course is designed to provide opportunities for the student to acquire an understanding of how to reduce the risk of injuries and eliminate hazards that may contribute to injuries associated with physical education and athletics.

PHED 5413. Adapted Movement Science (Even years, Fa). 3 Hours.

Methods and techniques for working with individuals with disabilities in an adapted movement science.

PHED 5553. Scientific Principles of Movement and Performance (Odd years, Su). 3 Hours.

This course focuses on theoretical information about sport biomechanics and movement principles, with practical applications to the physical education of coaching profession.

PHED 5803. Measurement Concepts for K-12 Physical Education Teachers (Su). 3 Hours.

This course focuses on techniques that physical education teachers can use to monitor student progress in a K-12 environment.

PHED 6363. Supervision in Physical Education (Odd years, Fa). 3 Hours.

The focus of this course is instructional supervision as a set of complex processes in which the supervisor works within accepted guidelines and functions to effectively supervise a teacher's pedagogical development. The Physical Education Instructional Supervision (PEIS) Model will be used to help facilitate this process.

Total Hours: 31-33
