The Landscape Architecture and Political Science departments collaboratively offer an interdisciplinary minor in Urban and Regional Planning for students interested in critical and complex urban and sustainability issues. The minor incorporates discussion of policy, design, and advocacy as shapers of, among others, resilience and justice, infrastructure and mobility, or community engagement.

## Requirements for Urban and Regional Planning Minor

A student who is interested in the Urban and Regional Planning minor should notify either the Departments of Landscape Architecture or Political Science and consult with their academic advisor.
