J. William Fulbright College of Arts and Sciences

Mission and Objectives
Few in 20th century America did more to advance the study of international relations or promote human understanding than J. William Fulbright. Committed to the idea that a free society and a peaceful world require, above all, an educated citizenry, he urged with unflagging energy the use of historical perspective, cultural relativity, and scientific objectivity in the study of human affairs. Senator Fulbright, like Thomas Jefferson, Andrew Jackson, and Abraham Lincoln before him, was committed to the belief that an educated, enlightened electorate will act not only in its own self-interest but also in the interest of all the people of the world.

In recognition of J. William Fulbright’s contribution to the cause of liberal education and of his many services to his native state, the Board of Trustees of the University of Arkansas on November 20, 1981, resolved...

The college has adopted as its mission the following statement from Fulbright’s writings:

... the highest function of higher education is the teaching of things in perspective, toward the purposes of enriching the life of the individual, cultivating the free and inquiring mind, and advancing the effort to bring reason, justice, and humanity into the relations of men and nations.

Consisting of 19 departments and numerous centers and research units, Fulbright College has a twofold mission: to provide a broad, liberal education to all students within the university community and to furnish specialized knowledge at the upper division and graduate levels leading to a professional career. The general education curriculum within the college is designed to assure students’ mastery of the English language, provide knowledge of the historical, social, intellectual, and linguistic bases of human culture, provide habits of thought useful in later life, encourage the development of aesthetic, political, and ethical values, and offer the necessary foundation for professional competence or further training in professional or graduate schools. The general education curriculum of the college is based on the Platonic assumption that the pursuit of knowledge is an intrinsically good activity and that it is incumbent upon all members of an enlightened society to engage in that pursuit.

Recognizing that its students must become productive members of contemporary American society, Fulbright College offers undergraduate majors in fields ranging from chemistry and art to journalism, physics, social work and psychology. In addition, the college, in cooperation with the Graduate School, offers course work leading to master’s degrees and doctoral degrees. As a natural corollary of their instructional role, faculty members of the college pursue active research programs that enable them simultaneously to provide state-of-the-art education to their students and bring national and international recognition to the university.

In sum, Fulbright College lies at the very heart of the university. The seat of liberal learning within the institution and the state, it is committed to providing excellent general education to all members of the student body and specialized instruction of the highest quality to its own majors.

Facilities and Resources

Academic Advising Services
The Fulbright College of Arts and Sciences provides an adviser for each student enrolled in the college. Freshman- and sophomore-level students, including departmental honors students, are advised in the Fulbright College Advising Center in Old Main 518. All four-year honors undeclared major students and all freshman-level four-year honors declared major students receive advising from the Fulbright Honors Program office in Old Main 517. Advisers in the Fulbright College Advising Center will assist students in program planning and will help them to become aware of and familiar with the academic offerings of the university. Students should consult their advisers on a regular basis, not limited to registration matters but including all areas of their academic careers. Personnel in the Fulbright College Advising Center or the Dean’s office will direct students to the appropriate advising office.

Students should discuss with their advisers opportunities for individual variations as well as regular course requirements. Programs and facilities of particular interest to individuals may include the Honors Program, programs for advanced placement and credit by examination, study abroad and the services of the University Career Development Center.

The Career Development Center administers and interprets tests that measure individual ability, interest, and achievement, and thus may aid also in counseling students about the field of study in which they are most likely to be effective and successful.

For questions regarding advising, contact the Fulbright College Advising Center at 575-3307 or visit online at http://fcac.uark.edu.

Degrees Offered

The J. William Fulbright College of Arts and Sciences offers four-year curricula leading to the degrees of Bachelor of Arts (B.A.), Bachelor of Science (B.S.), Bachelor of Fine Arts (B.F.A.), Bachelor of Music (B.M.), and Bachelor of Social Work (B.S.W.). Each candidate for the B.A. and B.S. degrees selects a major field for specialized study. In addition to usual departmental majors there are interdepartmental majors and special programs for students preparing for professional degrees in law, medicine, dentistry, and teaching.

College Admissions

Requirements
Students seeking admission to the J. William Fulbright College of Arts and Sciences must meet the general requirements for admission to the university. In addition, students are expected to present two units (years) of a single modern or ancient world language. Those unable to meet this standard will be expected to begin their collegiate world language study as soon as possible after matriculation. For these students, completion of one semester of language study will be considered to satisfy the admission deficiency. Students transferring from other colleges at the University of Arkansas or from other institutions are expected to meet the same entrance standard.
College Scholarships

Foremost among scholarships available in the J. William Fulbright College of Arts and Sciences is the Sturgis Fellowship. This scholarship enables Fulbright College to offer outstanding graduates of secondary and preparatory schools undergraduate fellowships valued at $50,000 for four collegiate years.

Students studying in the humanities or classics may qualify for the J. William and Elizabeth W. Fulbright Scholarship for study abroad. This award is for students who are at least juniors and is intended to support a year of study abroad.

The King Fahd Center for Middle East Studies offers two-year undergraduate scholarships for superior students interested in pursuing the study of the Middle East or Islam.

In addition, students may compete for a number of privately endowed scholarships, which are awarded on a competitive basis to those who qualify. Application for these general Fulbright College scholarships and awards is made through the Office of the Dean, 525 Old Main. Students may obtain more detailed information about the above-named scholarships and other Fulbright College scholarships at http://fulbright.uark.edu/scholarships/index.php.

Other scholarships are available from the departments of Fulbright College. Information may be sought from the departmental chair of the student’s major.

College Academic Regulations

Courses of study in the Fulbright College of Arts and Sciences are designed to give students the comprehensive view of society that the modern world requires. Students who enroll in Fulbright College, or who elect some of its courses, have an opportunity to gain a broad cultural education, which is a part of intelligent living and, at the same time, to prepare for professions or to acquire technical training in the sciences. The college has two major teaching functions: to provide basic general education in the arts and sciences necessary to all persons for effective participation in the complex world in which we live; and, second, to furnish the student an opportunity to specialize in the field of the student’s choice.

To implement the first of these aims and to furnish a broad base for the accomplishment of the second, the faculty of Fulbright College has adopted the requirements listed below for each degree.

Specific course requirements may be fulfilled in one of four ways:

1. Establishing credit in approved courses:
   a. By enrolling in and completing the required work in the course,
   b. By examination (credit will be entered as CR on a student’s record as explained in Advanced-Standing Programs (http://catalog.uark.edu/undergraduatecatalog/academicregulations/advancedstandingprograms)).
   c. By advanced achievement, i.e., by satisfactory completion of a more advanced course of a sequence. For example, students who earn a grade of “C” or better in a third-semester foreign language course may be granted credit for the second semester course upon recommendation of the Department of World Languages, Literatures, and Cultures, and approval by the Dean of the college. (This does not apply to work taken as a self-paced online [correspondence] course or in transfer.)

2. Gaining exemption by examination. Announced exemption examinations are routinely offered in several courses. Students may consult any department or the dean’s office concerning exemption examinations.

3. Advanced placement by examination. A student who is granted advanced placement may elect to substitute a more advanced course for the listed required course.

4. Transfer credit. Students presenting transfer credit in lieu of stated requirements may be asked to present official course descriptions, etc. Transfer work with grades of “D” or “F” will not be accepted.

Student Organizations

There are many general-interest societies and organizations to which students may belong, and nearly every department of the university maintains an honor society through which high scholarship is rewarded. Students in Fulbright College may aspire to membership in the following organizations:

- Alpha Chi Sigma (chemistry)
- Alpha Epsilon Delta (pre-medical, medical technology, pre-dental)
- Alpha Kappa Delta (sociology)
- Alpha Phi Sigma (criminal justice)
- Alpha Psi Omega (drama)
- American Association of Petroleum Geologists (geoscience)
- American Chemical Society (chemistry)
- American Society for Photogrammetry and Remote Sensing (geoscience)
- Delta Phi Alpha (German)
- Eta Sigma Phi (Greek and Latin)
- Gamma Theta Upsilon (geography)
- Kappa Kappa Psi (band, men)
- Kappa Tau Alpha (journalism)
- Lambda Alpha (anthropology)
- Lambda Pi Eta (communication)
- Lambda Tau (writers)
- Omicron Delta Epsilon (economics)
- Phi Alpha (social work)
- Phi Alpha Theta (history)
- Phi Beta Delta (international scholarship)
- Phi Beta Kappa (arts and sciences)
- Phi Kappa Phi
- Phi Mu Alpha (music, men)
- Pi Kappa Delta (forensics)
- Pi Mu Epsilon (mathematics)
- Pi Sigma Alpha (political science)
- Psi Chi (psychology)
- Sigma Alpha Iota (music, women)
- Sigma Delta Pi (Spanish)
- Sigma Gamma Epsilon (geology)
- Sigma Pi Sigma (physics)
- Tau Beta Sigma (band, women)
Degree Completion Program Policy

Fulbright College of Arts and Sciences Graduation Requirements

In addition to the specific course requirements for the degree plan and major, be aware that there are general graduation requirements that every student in Fulbright College must complete.

1. Minimum Total Semester Hour Requirement
   - B.A., B.S. and B.S.W. Degrees: 120 hours
   - B.M.: 120 hours
   - B.F.A.: 120 - 123 hours

2. Residency Requirement
   a. University Residency (Enrollment) Requirement
      Students must earn a minimum of 30 semester hours at the University of Arkansas, Fayetteville campus – this includes UA faculty-led study abroad classes, online/on-campus classes, and Global Campus courses; and all other courses paid towards Fayetteville campus tuition and fees. These 30 semester hours are to be upper-division semester hours required for the completion of a degree program. Additional hours in residence can be required for completing a minor. Hours earned in another school or college at UA, Fayetteville, may be used to satisfy this requirement with approval of appropriate faculty curriculum committee.

   b. College Residency Requirement and 24 Hour Rule
      A student graduating from Fulbright College must have completed at least 30 hours of credit in courses offered by Fulbright College, at least 24 of which must be 3000 and 4000 level courses from departments in Fulbright College.

   c. Major/Minor Residency Requirement (50 Percent Rule)
      A student graduating with a major or a minor from Fulbright College must have completed a minimum of 50 percent of degree credit work within the Fulbright College major or within the Fulbright College minor at the University of Arkansas through courses completed at the University of Arkansas, Fayetteville campus as defined in the University Residency Requirement. This percentage completion requirement may be higher for some majors and minors. Students should review individual departmental requirements to verify if a higher percentage is required by their specific major or minor department.

3. 40-Hour Rule
   Students must present for degree credit at least 40 hours of work in courses numbered 3000 and above. Included in these 40 hours can be courses numbered 2000 if each has a specific course designated as a prerequisite. It is highly recommended that students complete all 40 hours in courses numbered 3000 and higher. These courses may be taken from other colleges or universities as long as the college residency requirement and the 24-hour rule are satisfied.

4. Grade-Point Average
   Students graduating from Fulbright College must have a minimum cumulative GPA of 2.00.

5. 68-Hour Rule
   Students who transfer into the university may present for degree credit no more than 68 hours of lower division course work (1000 and 2000 level).

6. Writing Requirement
   Students graduating from Fulbright College must write a research/analytical paper for at least one upper-division course in his or her major. Each department has determined its own procedures for certifying completion of this requirement. Questions should be referred to the departmental chairperson. A student may choose to write a senior thesis in a major area of study. The thesis may be accorded up to six hours of credit. Defense of the thesis before a committee is required. Satisfactory completion of an honors project or a senior thesis may be submitted to meet the college writing requirement.

7. Students must complete the stated requirements for a Fulbright College major in addition to all university requirements for graduation, including the University Core requirements.

Questions concerning fulfilling the requirements should be referred to the student’s adviser or to the dean’s office, which will maintain current lists of approved courses, experimental offerings approved to fulfill requirements for a specified period of time, examination schedules, and other options available to the student.

Graduation with Distinction

Students who have not completed a Fulbright college or departmental honors degree program but have otherwise demonstrated academic excellence in baccalaureate degree programs in the J. William Fulbright College of Arts and Sciences will be recognized at graduation by the designation of “with high distinction” or “with highest distinction.” To earn this designation, the student must meet the following criteria upon degree completion:

1. The student must have completed at least one-half of his or her degree work at the University of Arkansas.

2. For “with high distinction,” the student must achieve a cumulative U of A GPA of 3.8 to 3.899.

3. For “with highest distinction,” the student must achieve a cumulative U of A GPA of 3.9 or higher.

The criteria may be evaluated and changed periodically by the Fulbright College of Arts and Sciences.

Combined Academic and Medical or Dental Degree

Fulbright College offers a Bachelor of Science degree in medical science or medical science (dentistry). A student may substitute the first year of regular medical or dental work taken in any standard, approved medical or dental school for 33 hours of the 120 hours required for the Bachelor of Science degree provided that the following requirements are met:

1. Completion of all university/state core requirements for a B.S. degree, as appropriate, prior to student’s entrance in medical or dental school.

2. Completion of a minimum of 12 hours of courses numbered above 3000 taken in Fulbright College.

3. Completion of at least 30 hours immediately prior to student’s entrance in medical or dental school in residence in Fulbright College.

Students interested in this degree should consult with their adviser or with the Fulbright College dean’s office early in their program. Formal application for the degree should be made to the Registrar.

This program is for highly qualified students with outstanding academic records who may be eligible for early admission to medical school or
dental school programs. The year of a medical or dental study substitutes for the major in the B.S. degree program.

### Additional Majors

Students fulfilling all requirements for the B.S., B.S.W., B.F.A. and B.M. degrees, including all core requirements and at least one major in these degree programs, may also claim an additional major in a humanistic discipline, social science, or interdisciplinary program associated with a B.A. degree. Upon completion of all major requirements of the additional discipline, the additional major will be made part of the student’s transcript; however, a B.A. degree is not awarded. Students interested in this option should consult regularly with an academic adviser in the additional major and must notify the Fulbright College dean’s office (MAIN 525) when degree application is made.

### Graduate Studies

The Graduate School, in cooperation with the faculty of Fulbright College of Arts and Sciences, offers work leading to the graduate certificate or to the degrees of Master of Arts, Master of Science, Master of Fine Arts, Master of Public Administration, Master of Social Work, and Doctor of Philosophy.

Students interested in any of these advanced degrees should consult the Graduate School Catalog or the Dean of the Graduate School.

### Accreditations

The American Council on Education in Journalism and Mass Communications has accredited the Bachelor of Arts (B.A.) degree program in journalism. The Bachelor of Arts (B.A.), Bachelor of Music (B.M.), and Master of Music (M.M.) degree programs in the Department of Music are accredited by the National Association of Schools of Music. The Doctor of Philosophy (Ph.D.) degree program in clinical psychology is accredited by the American Psychological Association. The Bachelor of Social Work (B.S.W.) degree and the Master of Social Work (M.S.W.) degree are accredited by the Council on Social Work Education.

### Office of the Dean of the College

525 Old Main, 479-575-4804

- **Dean**
  - Todd G. Shields

- **Associate Deans**
  - Steven J. Beaupre, Jeannine M. Durdik, Kathryn A. Sloan

- **Assistant Deans**
  - Simon C. Chua, Lisa J. Summerford

### Office of Academic Services

525 Old Main, 479-575-4801

### Advising Center

Shane W. Barker, Director
518 Old Main, 479-575-3307

### Honors Studies

Sidney J. Burris, Director
517 Old Main, 479-575-2509

**World Wide Web:** fulbright.uark.edu

**E-mail:** fulbright@uark.edu

After majors and minors are listed, other programs of study, such as pre-professional programs are listed.

Second (or dependent) Majors

A second (or dependent) major is one that a student may pursue as a major if the student is already pursuing a first major that is authorized to be given independently.

- African and African American Studies (http://catalog.uark.edu/undergraduatecatalog/collegesandschools/jwilliamfulbrightcollegeofartsandsciences/africanandafricanamericanstudiesaast)
- Asian Studies (http://catalog.uark.edu/undergraduatecatalog/collegesandschools/jwilliamfulbrightcollegeofartsandsciences/asianstudiesaist)
- Latin American and Latino Studies (http://catalog.uark.edu/undergraduatecatalog/collegesandschools/jwilliamfulbrightcollegeofartsandsciences/latinamericanandlatinostudiesaist)
- Middle East Studies (http://catalog.uark.edu/undergraduatecatalog/collegesandschools/jwilliamfulbrightcollegeofartsandsciences/middleeaststudiesmest)

Minors

Academic minors in approved degree programs are options available to students in the Fulbright College of Arts and Sciences. The minor must be in a field other than the major, and students must notify the department of their intention to minor. An academic minor ordinarily consists of 15-18 hours. Specific requirements for the minor are given in the section entitled Departments, Majors, and Minors. Minors may be chosen from the following fields:

- African and African American Studies
- Anthropology
- Arabic
- Art History
- Asian Studies
- Biology
- Business
- Chemistry
- Child Advocacy Studies Training
- Chinese (Business Orientation)
- Classical Studies
- Communication
- Criminal Justice
- Economics
- English
- French
- Gender Studies
- Geography
- Geology
- German
- Global Studies
- Historic Preservation
- History
- Indigenous Studies
- Italian
- Japanese (Business Orientation)
- Jewish Studies
- Journalism
- Latin American and Latino Studies
- Legal Studies
- Mathematics
- Medieval and Renaissance Studies
- Middle East Studies
- Music
- Philosophy
- Physics
- Political Science
- Psychology
- Religious Studies
- Social Work
- Sociology
- Southern Studies
- Spanish
- Statistics
Fulbright College also recognizes all official minors offered by sister colleges at the University of Arkansas. Students wishing to have such minors made a part of their transcript must notify the Fulbright College dean’s office (MAIN 525) no later than when degree application is made.

Other Programs
Undergraduate Preparation for Professional Programs

The Fulbright College of Arts and Sciences offers comprehensive support for students pursuing a wide array of professional and graduate programs. Because undergraduate preparation for these programs requires diligent planning, students should contact the Advising Center or appropriate faculty advisor as soon as possible. The Fulbright College Advising Center is in Old Main 518 and can be reached at 479-575-3307 or fcac@uark.edu. Supported programs include (but are not limited to) the following:

- Dentistry
- Law
- Medicine
- Occupational Therapy
- Optometry
- Pharmacy
- Physical Therapy
- Physician Assistant
- Secondary Education

Pre-Dental Program: All dental schools require a minimum of three years of college work, and most schools give preference to applicants who have completed a baccalaureate degree. The minimum requirements for admission to most dental schools can be met at the University of Arkansas by completing the following courses:

- **ENGL 1013** Composition I (ACTS Equivalency = ENGL 1013) 3
- **ENGL 1023** Composition II (ACTS Equivalency = ENGL 1023) 3
- **BIOL 1543 & BIOL 1541L** Principles of Biology (ACTS Equivalency = BIOL 1014 Lecture) and Principles of Biology Laboratory (ACTS Equivalency = BIOL 1014 Lab) 4
- **And at least 8 additional hours of biology (BIOL 1603/BIOL 1601L is recommended)**
- **PHYS 2013 & PHYS 2011L** College Physics I (ACTS Equivalency = PHYS 2014 Lecture) and College Physics I Laboratory (ACTS Equivalency = PHYS 2014 Lab) 4
- **PHYS 2033 & PHYS 2031L** College Physics II (ACTS Equivalency = PHYS 2024 Lecture) and College Physics II Laboratory (ACTS Equivalency = PHYS 2024 Lab) 4
- **CHEM 1103 & CHEM 1101L** University Chemistry I (ACTS Equivalency = CHEM 1414 Lecture) and University Chemistry I Laboratory (ACTS Equivalency = CHEM 1414 Lab) 4

The University of Arkansas School of Law at Fayetteville and the Fulbright College of Arts and Sciences jointly administer a six-year program whereby highly qualified students may earn both the bachelor’s degree and the Juris Doctor degree. Any student enrolled in the J. William Fulbright College of Arts and Sciences who is admitted to the special six-year program referred to in the paragraph immediately following. All applicants for admission are required to take the Law School Admission Test. (See page 281.)

CHEM 1123 & CHEM 1121L University Chemistry II (ACTS Equivalency = CHEM 1424 Lecture) and University Chemistry II Laboratory (ACTS Equivalency = CHEM 1424 Lab) 4

CHEM 3603 & CHEM 3601L Organic Chemistry I and Organic Chemistry I Laboratory 4

CHEM 3613 & CHEM 3611L Organic Chemistry II and Organic Chemistry II Laboratory 4

CHEM 3813 Elements of Biochemistry 3

CLEP and AP credit is not accepted. Dental schools have a variety of additional course requirements and pre-dental students should check each school’s website.

Mathematics is not a general requirement, but students are expected to have a background equivalent to college algebra and trigonometry.

Students who complete a minimum of 90 hours of work may qualify for the combined degree program provided that they complete the requirements for graduation in Fulbright College of Arts and Sciences.

All dental schools require the Dental Admissions Test. It is suggested that applicants take the DAT one year prior to the time they plan to enter dental school. A student planning a career in dentistry should contact Dr. J.C. Rose, Department of Anthropology, 479-575-2508.

Pre-Law Program: While there is no prescribed pre-law curriculum, Fulbright College offers a minor in legal studies administered through the department of political science. Students considering a career in law may consult the School of Law Catalog or the Fulbright College Advising Center for information concerning certain categories of courses that may be helpful to the study and practice of law. Students uncertain about a major degree program should contact the Fulbright College Advising Center.

A baccalaureate degree is required for admission to the University of Arkansas School of Law, except for those students in the Fulbright College of Arts and Sciences who are admitted to the special six-year program referred to in the paragraph immediately following. All applicants for admission are required to take the Law School Admission Test. (See page 281.)

1. At least 30 consecutive hours of course work in Fulbright College,
2. At least 94 hours credited toward a bachelor’s degree by Fulbright College,
3. Completion of Fulbright College’s requirements for a major in connection with the bachelor’s degree,
4. A cumulative grade-point average in all college or University course work of at least 3.50, without grade renewal,
5. An LSAT score of at least 159.

A student may substitute law school course work for the remaining total hours required for the bachelor’s degree from Fulbright College. Formal application for the degree should be made to the Registrar. Information
about the program may be obtained in the dean’s office or the Fulbright Advising Center.

**Pre-Medical Program:** Medical schools in general require a minimum of 90 semester hours of college credit exclusive of military science and physical education, and most recommend that the student complete a baccalaureate degree. All medical schools have specific course requirements, and the student should determine those requirements for the school of his or her choice. The minimum requirements for many medical schools can be met by completion of the following courses:

<table>
<thead>
<tr>

</table>

Most medical schools will not accept CLEP credit, and in some cases, AP credit for the required courses above is not accepted. Most medical schools will not accept on-line or web-based classes to fulfill requirements. Additional courses are recommended. Special opportunities and experiences are available to pre-medical students through the Liebolt Premedical Program (http://premed.uark.edu).

Pre-medical students are encouraged to complete the requirements for the B.A. or B.S. degree. As part of these requirements the student must choose a major, but the choice of a major has no direct bearing upon admission to medical school and should reflect the particular interests of the student. If a student is admitted to a medical school prior to completion of the baccalaureate degree requirements, he/she may wish to take advantage of the combined degree program in medical science. If that program is elected, the student should complete all of the basic University and college requirements for graduation during residence on the UA campus.

Most medical schools require the Medical College Admissions Test (MCAT), which is administered at several testing sites in Arkansas on specific dates from January to September each year. The MCAT normally should be taken in the spring preceding application to medical school. Admission to medical school is highly competitive, and a good grade-point average is demanded. A grade-point average of 3.30 is the minimum likely to receive favorable consideration. A grade of “D” in any course required by the medical school is not considered satisfactory. Advising is available through Dr. Neil Allison, Department of Chemistry and Biochemistry, 479-575-5348. Dr. Allison serves as chair of the University of Arkansas Pre-medical Advisory Committee. For information, visit the University of Arkansas pre-medical website at http://premed.uark.edu.

**Pre-Pharmacy Program:** Entrance requirements for pharmacy schools vary; therefore, students should research the schools of their choice to determine specific prerequisite course work. The University of Arkansas for Medical Sciences College of Pharmacy requires 69 hours of pre-professional courses to include: 4 hours of calculus, 9 hours of English/Communication, 16 hours of chemistry, 12 hours of biology, 4 hours of physics, 3 hours of economics, 6 hours of critical thinking/problem solving, and 15 hours of humanities.

Students are advised to begin taking humanities electives during the second semester of their freshman year. Since pharmacy schools have many more applicants than they can accept, the student is urged to earn a grade point average much higher than the minimum of 2.00.

Grades are a major consideration when admission committees evaluate a student’s qualifications for acceptance. The University of Arkansas College of Pharmacy and other pharmacy schools also require applicants to take the Pharmacy College Admission Test (PCAT). This may be taken in November or February. The pre-pharmacy adviser for the University of Arkansas is Lorraine Brewer, Department of Chemistry and Biochemistry, 479-575-3103.

**Secondary Education Programs:** Acceptance in a teacher education program is governed by regulations approved by the University Teacher Education Board for Initial Licensure and administered by the College of Education and Health Professions and the Fulbright College of Arts and Sciences. Students in Fulbright College can pursue secondary education licensure in the following areas: Art, Drama/Speech, English, World Languages, Mathematics, Music, Life/Earth Science, Physical/Earth
Science, or Social Studies. Students in all subject areas, except Art and Music, must meet the admission requirements for the Master of Arts in Teaching (M.A.T.) (http://seed.uark.edu/mat-secondary-ed/admission-requirements.php) degree.

All students pursuing entrance into the M.A.T. degree program must complete specific coursework prior to acceptance. For more information on entrance into the secondary education Master of Arts in Teaching (http://seed.uark.edu/mat-secondary-ed/degree program, please consult with a College of Education and Health Professions advisor: Peabody Hall 109, 479-575-4209 or with an advisor in the Fulbright College of Arts and Sciences Advising Center, Old Main, Room 518, 479-575-3307.

Students intending to obtain licensure in Mathematics or the Sciences may either pursue the requirements for Fulbright College students seeking entrance into and certification through the M.A.T. program or follow the requirements set forth in the UATeach undergraduate curriculum in addition to their major requirements. Students wishing to pursue licensure through the UATeach undergraduate curriculum should consult with a UATeach adviser, uteach@uark.edu ( ).

Students intending to obtain teacher licensure in Art or Music will follow the education requirements set forth in the Bachelor of Fine Arts and Bachelor of Music degrees, respectively.

**Cooperative Education**

The Cooperative Education program is designed to offer students an opportunity to participate in a work experience directly related to their academic major. The program also insists that at least minimal academic credit be awarded, thus ensuring that the work experience will be directly related to the student's academic program. Cooperative Education offers advantages to students needing assistance in financing their education, and it offers the college a tangible way to demonstrate our conviction that although we do not stress vocational or professional training per se, there is nothing inimical between a liberal arts education and the world of work. Prerequisites include 45 credit hours, a cumulative GPA of 2.50, and consent of the academic coordinator. A maximum of 4 credit hours of ARSC 310V (Cooperative Education) may be applied toward the student's degree.

Detailed information about Cooperative Education may be obtained from the Office of the Dean, Fulbright College, 525 Old Main.

**Honors Program**

Kirstin Erickson  
Director of Honors Studies  
517 Old Main  
479-575-2509  
http://fulbriightoners.uark.edu

To create an intellectual environment that challenges the best of students, the J. William Fulbright College of Arts and Sciences provides a comprehensive program of honors studies. This includes the College Honors Program, a four-year interdisciplinary honors program for students of superior academic ability or artistic talent, and the Departmental Honors Program, an honors program emphasizing directed independent study within a department or discipline of the college.

For admission into the Fulbright College Honors Program, an incoming student must have at least a 3.75 high school grade point average and a minimum ACT composite score of 28 or 1310 SAT. A current Fulbright College student must have a University of Arkansas grade point average of 3.5 or above and a faculty recommendation from the department of study.

A student who successfully completes a program of honors studies within Fulbright College is eligible to receive a baccalaureate degree with the distinction College Scholar cum laude, or Departmental Scholar cum laude in the major field of study. Higher distinctions of magna cum laude or summa cum laude may be awarded to outstanding honors students by recommendation of the Fulbright College Honors Council.

To earn the distinction Fulbright College Scholar cum laude at graduation, a student must successfully complete the honors core curriculum, maintain a minimum grade-point average of 3.5, and satisfy requirements for departmental honors in the major field of study, including preparation and oral defense of an honors thesis. The Honors Council may award the higher distinctions of magna cum laude or summa cum laude based upon a student's total academic performance, including the academic transcript, the quality of the scholarly activity pursued within the major field of study, and the breadth of college study as a whole.

To earn the distinction of Departmental Scholar cum laude at graduation, a student must successfully complete requirements prescribed by the major department, including an honors thesis and oral examination, maintain a minimum grade-point average of 3.5, and take 12 hours (which may include six hours of thesis) in honors studies. If a student demonstrates superior academic performance or an exceptionally high level of scholarly activity, the Honors Council may award the distinction of magna cum laude. In exceptional instances where truly outstanding work within the major field is coupled with the superior understanding of its relationship to the college work as a whole, the distinction summa cum laude may be awarded. The minimum number of honors hours required for each level of distinction must be completed in residence.

For more information about honors studies within Fulbright College, visit the web site at http://fulbriightoners.uark.edu.

**Degrees with Honors**

The J. William Fulbright College of Arts and Sciences is dedicated to providing students a liberal education in the arts, humanities, and sciences. Such an education should be soundly based, innovative, and enriched by a creative faculty. This is especially true for students with superior academic ability or artistic talent. To achieve these aims, the
The college faculty has developed and participates in the College Honors Program and the Departmental Honors Program.

Requirements for the College Honors Program: Credit or exemption for University Core in English composition, including ENGL 1013 and ENGL 1023, and in American history or American government, completion of the requirements for honors in a department or study area of the college, including preparation and oral defense of an honors thesis, a cumulative grade-point average of 3.5 or above, and completion of the honors core curriculum. Students who do not have at least a 3.5 GPA will not be allowed to graduate with honors.

Requirements for the Departmental Honors Program: Specific academic requirements including course work, participation in departmental honors colloquia or seminars, and independent study projects are established by the faculty of the individual departments or study areas and are approved by the Honors Council. However, all departmental honors students must have a 3.5 cumulative grade-point average, complete and defend an honors thesis, and take 12 hours (which may include six hours of thesis) in Honors Studies. Information concerning these requirements is given within each department’s catalog listings.

The minimum academic requirements of the honors core curriculum for the B.A./B.S.W., B.S., B.M., and B.F.A. degree programs can be found in the degree requirements for each program listed below.

Honors Core Curriculum
Bachelor of Arts or Bachelor of Social Work Degree

Requirements for graduating with honors: Specific academic requirements including course work, participation in departmental honors colloquia or seminars, and independent study projects are established by the faculty of the individual departments or study areas and are approved by the Honors Council. However, all honors students must have a 3.5 cumulative grade-point average, complete and defend an honors thesis, and take 12 hours (which may include six hours of thesis) in Honors Studies. Information concerning these requirements is given within each department’s catalog listings.

The following outlines the minimum academic requirements of the honors core curriculum for the B.A. and B.S.W. degree programs. The university/state minimum core is fulfilled by completing the college honors core.

Area 4

GEOS 1113H  Honors General Geology  
& GEOS 1111M  Honors General Geology Laboratory

GEOS 1133  Earth Science (ACTS Equivalency = GEOL 1124  
& GEOS 1131L Lecture)  
and Earth Science Laboratory (ACTS Equivalency  
= GEOL 1124 Lab)

Mathematics 4-5

MATH 2445  Calculus I with Review

MATH 2554H  Honors Calculus I  
or MATH 2551 Calculus I (ACTS Equivalency = MATH 2405)

MATH 2564H  Honors Calculus II  
or MATH 2561 Calculus II (ACTS Equivalency = MATH 2505)

MATH 2574H  Honors Calculus III  
or MATH 2571 Calculus III (ACTS Equivalency = MATH 2603)

World Language: (depending upon placement) 0-9

See your adviser. Students must demonstrate proficiency in a single modern or classical language other than English (2003 Intermediate I of a world language). Usually this is accomplished by completing a sequence of courses (1003, 1013, and 2003). See Fulbright College Admission Requirements. Students meeting the normal admission standard (two years of high school language) may expect to satisfy this requirement with fewer courses, depending upon placement. In cases of unusually thorough preparation, or in the case of international students, exemption may be sought from the department of world languages.

Total Hours 38-48

1  This science course is applied as honors credit for Fulbright College Honors.

Bachelor of Music Degree

Requirements for graduating with honors: Specific academic requirements including course work, participation in departmental honors colloquia or seminars, and independent study projects are established by the faculty of the individual departments or study areas and are approved by the Honors Council.

All honors students must have a 3.5 cumulative grade-point average, complete and defend an honors thesis, and take 12 hours (which may include six hours of thesis) in Honors Studies. Information concerning these requirements is given within each department's catalog listings.

The following outlines the minimum academic requirements of the honors core curriculum for the B.F.A. degree program. The university/state minimum core is fulfilled by completing the college honors core.

Honors Core Curriculum

Humanities Option 1

World Civilization

HIST 1113H  Honors Institutions and Ideas of World Civilizations I 3

HIST 1123H  Honors Institutions and Ideas of World Civilizations II 3

World Literature

WLIT 1113H  Honors World Literature I 3

Fine Arts

MLIT 1013H  Honors Music and Society 3

Colloquium in Humanities 1 3

Course offerings vary each semester.

Total Hours 15

Humanities Option 2

Honors Roots of Culture

HUMAN 1114H  Honors Roots of Culture to 500 C.E. 4

HUMAN 1124H  Honors Equilibrium of Cultures 500-1600 4

HUMAN 2114H  Honors Birth of Modern Culture 1600-1900 4

Fine Arts

MLIT 1013H  Honors Music and Society 3

Colloquium

Humanities Colloquium 1 3

Total Hours 18

Students pursuing either option must also complete the following:

English

ENGL 1013H  Honors Composition I 3

or ENGL 1013 Composition I (ACTS Equivalency = ENGL 1013)

ENGL 1023H  Honors Composition II 3

or ENGL 1023 Composition II (ACTS Equivalency = ENGL 1023)

U.S. History/American National Government

HIST 2003  History of the American People to 1877 (ACTS Equivalency = HIST 2113) 3

or HIST 2133  History of the American People, 1877 to Present  
(ACTS Equivalency = HIST 2123)

or PLSC 2003  American National Government (ACTS Equivalency = PLSC 2003)

or PLSC 2003H  Honors American National Government

World Language: (depending upon placement) 0-6

See your adviser. Typically this is satisfied by completion of a 1013 Elementary II world language course.

Social Science 3

Select one of the following:

ANTH 1023H  Honors Introduction to Cultural Anthropology

COMM 1023H  Honors Communication in a Diverse World

ECON 2013H  Honors Principles of Macroeconomics

ECON 2023H  Honors Principles of Microeconomics

ECON 2143H  Honors Basic Economics: Theory and Practice

GEOS 2003H  Honors World Regional Geography

PSYC 2003H  Honors General Psychology

SOCI 2013H  Honors General Sociology
Colloquia in Social Sciences  
Course offerings vary each semester. See adviser.

Natural Sciences  
Eight hours of honors credit to be chosen from the lab sciences. See adviser for specific science course listing.

Mathematics  
Fulbright Scholars must fulfill the math requirement with one of the following:
- MATH 2043 Survey of Calculus (ACTS Equivalency = MATH 2203)
- MATH 2053 Finite Mathematics
- MATH 2183 Mathematical Reasoning in a Quantitative World
- MATH 2445 Calculus I with Review
- MATH 2554 Calculus I (ACTS Equivalency = MATH 2405)

Total Hours  
26-34

1 No more than a total of 3 hours of required colloquia may be earned either abroad or in an intersession.

Bachelor of Fine Arts Degree
Specific academic requirements including course work, participation in departmental honors colloquia or seminars, and independent study projects are established by the faculty of the individual departments or study areas and are approved by the Honors Council. All honors students must have a 3.5 cumulative grade-point average, complete and defend an honors thesis, and take 12 hours (which may include six hours of thesis) in Honors Studies. Information concerning these requirements is given within each department’s catalog listings.

The following outlines the minimum academic requirements of the honors core curriculum for the B.F.A. degree program. The university/state minimum core is fulfilled by completing the college honors core.

Honors Core Curriculum

Humanities Option 1

World Civilization
- HIST 1113H 3
- HIST 1123H 3

World Literature
- WLIT 1113H Honors World Literature I 3

Fine Arts, World Literature II, and Philosophy
Select two of the following from two different areas:
- Fine Arts
  - COMM 1003H Honors Basic Course in the Arts: Film Lecture
  - DANC 1003H Honors Basic Course in the Arts: Movement and Dance
  - MLIT 1003H Honors Experiencing Music
  - THTR 1003H Honors Basic Course in the Arts: Theatre Appreciation

- Philosophy
  - PHIL 2003H Honors Introduction to Philosophy

- World Literature II
  - WLIT 1123H Honors World Literature II

Colloquium in Humanities  
3

Course offerings vary each semester.

Total Hours  
18

Humanities Option 2

Honors Roots of Culture
- HUMN 1114H Honors Roots of Culture to 500 C.E. 4
- HUMN 1124H Honors Equilibrium of Cultures 500-1600 4
- HUMN 2114H Honors Birth of Modern Culture 1600-1900 4

Philosophy and Humanities
- PHIL 2003H Honors Introduction to Philosophy 3

Total Hours  
18

Students pursuing either option must also complete the following:

English
- ENGL 1013H Honors Composition I 3
  or ENGL 1013 Composition I (ACTS Equivalency = ENGL 1013)
- ENGL 1023H Honors Composition II 3
  or ENGL 1023 Composition II (ACTS Equivalency = ENGL 1023)

U.S. History/American National Government
- HIST 2003 History of the American People to 1877 (ACTS Equivalency = HIST 2113) 3
  or HIST 2013 History of the American People, 1877 to Present (ACTS Equivalency = HIST 2123)
  or PLSC 2003 American National Government (ACTS Equivalency = PLSC 2003)
  or PLSC 2003H Honors American National Government

World Language: (depending on placement) 0-9

See your adviser. (This is usually accomplished by successful completion of a 2003 Intermediate I world language course.)

Social Science
- ANTH 1023H Honors Introduction to Cultural Anthropology
- COMM 1023H Honors Communication in a Diverse World
- ECON 2013H Honors Principles of Macroeconomics
- ECON 2023H Honors Principles of Microeconomics
- ECON 2143H Honors Basic Economics: Theory and Practice
- GEOS 2003H Honors World Regional Geography
- PSYC 2003H Honors General Psychology
- SOCI 2013H Honors General Sociology

Colloquia in Social Sciences  
3

Natural Science

Eight hours of honors to be chosen from lab sciences. See adviser for specific science course listing.

Mathematics  
3-5

Select one of the following:
- MATH 2043 Survey of Calculus (ACTS Equivalency = MATH 2203)
- MATH 2053 Finite Mathematics
- MATH 2183 Mathematical Reasoning in a Quantitative World
- MATH 2445 Calculus I with Review
- MATH 2554 Calculus I (ACTS Equivalency = MATH 2405)
