School of Social Work Website (https://fulbright.uark.edu/departments/social-work/)

The School of Social Work offers an undergraduate major leading to a Bachelor of Social Work degree. The principal objective of the undergraduate social work program is to prepare students for beginning generalist social work practice.

Social work is the professional activity of helping individuals, groups, or communities enhance or restore their capacity for social functioning and creating societal conditions favorable to this goal. Social work is a gratifying career for people who care about others, want to relieve human suffering, like a challenge, and want their work to make a difference in the world. The profession is dedicated to assisting individuals, families, groups, organizations, and communities in reaching their full potential.

Social work is particularly concerned with achieving social and economic justice for vulnerable populations and respecting and valuing human diversity. The School of Social Work at the University of Arkansas reflects the profession's fundamental concerns in its educational goals and objectives. In order to achieve its basic purposes, the school faculty, students, staff, and agency field instructors are involved in a variety of teaching, research, and outreach activities.

Accreditation

The social work program is fully accredited at the baccalaureate and graduate level by the Council on Social Work Education (CSWE).

Requirements for B.S.W. in Social Work

Pre-Social Work (PSCWK)

The pre-social work program identifies that a student has declared social work as a major but has not yet been accepted into the professional social work core. Students classified as pre-social work are completing the course requirements necessary to qualify for admission into the professional social work core. As members of the School of Social Work, pre-social work students are encouraged to participate in events, opportunities and activities sponsored by the School of Social Work in accordance with the student's progress in the program. Once a student is accepted into professional social work core, the student’s designation will change to Social Work major.

Criteria for Admission to B.S.W. Program and Professional Social Work Core

Students may declare themselves as pre-social work at any point, however formal admission to the professional core is required before a student is allowed to take the following courses that comprise the professional social work core:

Complete BIOL 1543/BIOL 1541L Principles of Biology and Lab or ANTH 1013/ANTH 1011L Biological Anthropology and Lab with a grade of “D” or better.

Students must have at least a 2.5 GPA in the 10 courses listed above.

Application Process

The application process must be completed by the announced application deadline prior to the semester in which the student will enroll in SCWK 4333 Social Work Practice I. The application packet includes the following materials:

Application Form. This form becomes the cover sheet for the application packet. Application forms are available from the online B.S.W. Student Handbook or from the social work webpage (https://fulbright.uark.edu/departments/social-work/undergraduate/admissions.php).

Volunteer/Work Experience Form. This form provides documentation of satisfactory completion of the volunteer experience assignment in SCWK 2133 Introduction to Social Work or equivalent and submission of a positive “Supervisor’s Reference Form” from the supervisor of the experience. A minimum of 30 hours of work or volunteer experience are required for admission to the Social Work Professional Core. (See appendices of B.S.W. Student Handbook (https://fulbright.uark.edu/departments/social-work/undergraduate/) for forms).

Personal Statement. This narrative statement should include: motivation for becoming a social worker; relevant work, volunteer or life experiences; strengths and limitations for effective social work practice; personal commitment and agreement to abide by the values and ethics of the
The above materials are submitted to the B.S.W. Program Director and reviewed by the B.S.W. Admission Committee. If the Admissions Committee has any questions concerning the content of the materials, the student may be asked to interview with a faculty member to resolve any questions or to provide additional information.

Upon completion of the materials review and interview (if necessary), the student will be informed in writing by the B.S.W. Program Director of his or her admission status.

There are three possible admission decisions:

**Unconditional Admission:** These students have demonstrated through their application materials (and interview, if required) that they have the motivation and potential for competent professional social work practice and that they agree to uphold and conduct themselves in accordance with the values and ethics of professional social work practice. In addition, these students have at least a 2.5 GPA in the pre-professional courses and have an overall GPA of 2.5.

**Conditional Admission:** Students with deficiencies related to the admission criteria may be granted conditional admission to the major. Students must resolve any pending issues within the time frame identified by the admission committee. Students will receive a letter that outlines the deficiencies and a plan to resolve the concerns. The letter will include specific deadlines and must be signed by both the student and the B.S.W. Director. The student will be unconditionally admitted once they have met the conditions outlined by the plan. Conditional admission may be granted for low GPA or non-GPA concerns such as writing skills, assertiveness, stress management, or working with diverse populations.

**Non-acceptance:** A decision of non-acceptance will be made when the student is found to be unsuited for professional social work practice. There are two criteria for non-acceptance: 1) the lack of acceptable academic performance necessary to successfully complete the requirements of the social work program, and/or 2) the inability to demonstrate commitment to social work values and ethics as they are reflected in the “Ethical Principles and Guidelines for UA Social Work Students” document that is available on-line in the B.S.W. Student Handbook and included with the forms for applying to the professional social work core (see Appendices). A decision of non-acceptance will result in the student’s inability to progress in the social work program. In the event of non-acceptance, assistance with a transfer to another major will be provided upon request.

**Criteria for Retention and Continuation**

In addition to the admission process, the B.S.W. Program also has requirements for retention and continuation in the major.

**Retention**

Maintenance of an overall GPA of 2.5.

Maintenance of a 2.5 GPA in social work courses.

Students must abide by and behave in accordance with the "Ethical Principles/Guidelines for UA Social Work Students".
Social work students should not engage in any activity or behavior which, according to university policy or regulations, would result in dismissal from the university community. Such activity or behavior includes, but is not limited to, sexual harassment, physical or sexual assault, and academic dishonesty. (See Undergraduate Studies Catalog for description of Academic Dishonesty, and Undergraduate Studies Catalog, Appendix C: Student Handbook for details).

**Continuation and Grading Policies**

A grade of C or better must be earned in all social work courses. If a student receives a grade of D or F in one of the professional social work core courses, the course must be retaken with a grade of C or better prior to taking the course for which that course serves as a prerequisite.

1. Once matriculated into the B.S.W. program, B.S.W. students who earn a D or F will be allowed to repeat this course one time. Students can repeat up to two different social work courses.

2. A student may repeat a course from which they earned a W no more than one time.

3. Any professional social work core course in which the student receives a grade of I (Incomplete) must be satisfactorily completed (with a grade of C or better) prior to entering the course for which the course receiving the Incomplete is a prerequisite.

4. Any core social work course in which the student receives a grade of 'I' (Incomplete) must be satisfactorily completed (with a grade of C or better) prior to entering the course for which the course receiving the Incomplete is a prerequisite. For example, a student receiving an ‘I’ in SCWK 4093 may not take SCWK 4103 or SCWK 4333 until SCWK 4093 is completed with a final grade.

5. If the student’s core and/or overall GPA falls below the 2.5 GPA required for retention, the student may remain in the B.S.W. program and take up to an additional 15 credit hours to raise their GPA to the required level. Failure to do so within these parameters will result in dismissal from the B.S.W. program. Students will be referred to the Fulbright Advising Center to change their major course of study.

**Criteria for Termination**

Students will be terminated from the B.S.W. Program for the following reasons:

1. Failure to maintain minimum GPA requirements (2.5 cumulative overall, 2.5 for all social work courses). See item 5 under Continuation and grading policies.

2. Failure to earn a C or better in a professional social work core course after the second attempt.

3. Engaging in any activity or behavior which, according to university policy or regulations, would result in dismissal from the university community. Such activity or behavior includes, but is not limited to, sexual harassment, physical or sexual assault, and academic dishonesty.

Students may be terminated from the B.S.W. Program for the following reasons: Engaging in any activity or behavior incompatible with the “Ethical Principles/Guidelines for UA Social Work Students” (available online in the B.S.W. Student Handbook and with the materials for application to the professional social work core; see Appendices). Such violations will initiate a review by the School of Social Work Student Standards and Support Committee and may result in termination by the School of Social Work Director or a decision that continuation is contingent upon completion of a corrective action specified by the School of Social Work Director.

**Requirements for a Major in Social Work**

In addition to the state minimum core (http://catalog.uark.edu/undergraduatemajors/academic_disciplines/) and the Fulbright College of Arts and Sciences Graduation Requirements (http://catalog.uark.edu/undergraduatemajors/academic_disciplines/), the following cognate and major course requirements must be met. Bolded courses from the list below may be applied to portions of the state minimum core requirements.

- **BIOL 1543** & **BIOL 1541L** Principles of Biology (ACTS Equivalency = BIOL 1014 Lecture) and Principles of Biology Laboratory (ACTS Equivalency = BIOL 1014 Lab)

### Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see the Eight-Semester Degree Policy [Link](http://catalog.uark.edu/undergraduatecatalog/academicregulations/eightsemesterdegreecompletionpolicy/) for university requirements of the program. State minimum core [Link](http://catalog.uark.edu/undergraduatecatalog/gened/stateminimum/) hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

Requirements for a Minor in Substance Use Disorders

The minor in substance use disorders is designed to educate students in various aspects of substance use disorders. Students must notify the School of Social Work of intention to pursue this minor.

18 hours are required for the minor.

Students must pass the following three courses with a C or better:

- SCWK 4143 Addiction and the Family
- SCWK 4213 The Diagnosis and Treatment of Substance Use Disorders
- SCWK 4243 Drug Policy and Its Impact on Approaches to Substance Use Disorder Treatment

Choose three of the following courses and pass each one with a C or better:

- SCWK 3163 On Death and Dying
- SCWK 3233 Contemporary Issues in Juvenile Justice
- SCWK 3013 Child Advocacy I: Perspectives on Child Maltreatment and Child Advocacy
- SCWK 4013 Child Advocacy II: Professional and System Responses to Child Maltreatment
- SCWK 4023 Child Advocacy III: Responding to the Survivor of Child Abuse
- SCWK 4093 Human Behavior and the Social Environment I
- SCWK 4153 Social Welfare Policy
- SCWK 3633 Child Welfare: 21st Century Perspectives
- SCWK 3193 Human Diversity and Social Work

Total Hours: 18

Requirements for a Child Advocacy Studies Training Undergraduate Certificate

The Child Advocacy Studies Training online certificate program is designed to better prepare future child protection workers, law enforcement officers, and other child-serving professionals in child welfare. Students may only receive credit for the minor or the certificate, but not both. Admission requirements for the Child Advocacy Studies Training online certificate program:

- Meet the admission requirements for the University of Arkansas.
- Complete 60 semester hours of credit from a regionally accredited institution of higher education.

Course requirements for an undergraduate certificate in Child Advocacy Studies Training (CHAS) include 9 credit hours:

- SCWK 3013 Child Advocacy I: Perspectives on Child Maltreatment and Child Advocacy
- SCWK 4013 Child Advocacy II: Professional and System Responses to Child Maltreatment
- SCWK 4023 Child Advocacy III: Responding to the Survivor of Child Abuse

Total Hours: 18

Requirements for a Minor in Social Work

18 hours including SCWK 2133, SCWK 3193, and SCWK 4153 (required) and any other nine hours of social work electives. A student must notify the department of his or her intent to minor. The social work minor is not preparation for social work practice and is not recognized by the CSWE.

Requirements for Departmental Honors in Social Work: The Departmental Honors Program in Social Work is an upper-division course of study with an independent investigation on a topic in social work. Students work closely with an adviser of their choice to define the goals of an honors project and to develop it to completion. They must take 12 hours (which may include 6 hours of thesis) in Honors Studies. In
developing the project, students are encouraged to take honors courses, participate in honors colloquia, and do extensive background reading. The honors thesis may entail a library research project, a social work intervention project to be conducted in the field, or a policy analysis project. A research study that requires original data collection and analysis is preferred. In any case, the honors work is a serious long-term undertaking that should have direct value in supplementing the student’s regular departmental academic program. Enrollment in SCWK 399VH takes place after the student has done background reading and has actually begun a project. Students normally enroll in this course for three hours of credit. The course may be repeated for an additional 3 hours of credit if the student’s project is an extensive one. Regardless of the type of project, it is presented in written form and defended at an oral examination before an Honors Council Committee. Projects of extraordinarily high quality may be designated High Honors by the Committee. Successful completion of the requirements will be recognized by the award of the distinction “Social Work Scholar Cum Laude” at graduation. Higher degree distinctions are recommended only in truly exceptional cases and are based upon the whole of the candidate’s program of honors studies.
