

Air Force ROTC (AERO)

Courses

AERO 1011. Heritage and Values of the United States Air Force I. 1 Hour.

A survey course designed to introduce students to the United States Air Force and provides an overview of the basic characteristics, missions, and organization of the Air Force. Leadership LAB mandatory for cadets. Corequisite: Lab component. (Typically offered: Fall)

AERO 1021. Heritage and Values of the United States Air Force II. 1 Hour.

A survey course designed to introduce students to the United States Air Force and provides an overview of the basic characteristics, missions, and organization of the Air Force. Leadership LAB mandatory for cadets. Corequisite: Lab component. (Typically offered: Spring)

AERO 2011. Team and Leadership Fundamentals I. 1 Hour.

This course focuses on laying the foundation for teams and leadership. The topics include skills that will allow cadets to improve their leadership on a personal level and within a team. The course will prepare cadets for their field training experience where they will be able to put the concepts learned into practice. The purpose is to instill a leadership mindset and to motivate sophomore students to transition from AFROTC cadet to AFROTC officer candidate. Corequisite: Lab component. (Typically offered: Fall)

AERO 2021. Team and Leadership Fundamentals II. 1 Hour.

This course focuses on laying the foundation for teams and leadership. The topics include skills that will allow cadets to improve their leadership on a personal level and within a team. The course will prepare cadets for their field training experience where they will be able to put the concepts learned into practice.
