AGLE 41503. Survey of Leadership Theory in Agriculture. 3 Hours.

An interdisciplinary analysis of current issues in the practice of leadership in a contemporary and changing society, particularly as they affect agricultural organizations and issues. Discussions of leadership theory, roles of leaders, skills for effective leadership, diversity issues, and followership will challenge students to think critically about leadership, enhance personal leadership performance and potential, and prepare for or expand leadership roles, and to become innovative and productive in dealing with challenges facing agricultural organizations today. Prerequisite: AGLE 31503. (Typically offered: Fall)

AGLE 41603. Leadership Analysis Through Film. 3 Hours.

Clemens (1999) stated, "Films are a catalyst." They make you laugh, cry, cheer, and think. Flaum (2002) stated leadership is best learned in the leadership moment. Moreover, the principles of Andragogy advocate adult learners best learning when there is a practical application of the learning subject. Therefore, this course builds upon the study of leadership theory by allowing students to analyze, reflect, synthesize, and apply leadership theories, models and concepts in the context of film. The course materials encourage students to reflect, synthesize, analyze, and apply the information learned from major leadership theories and apply them to various scenarios and situations demonstrated in selected films. Prerequisite: AGLE 31503 or AGLE 41503 or graduate standing or instructor consent. (Typically offered: Spring and Summer)

AGLE 4750V. Internship in Ag Leadership. 1-6 Hour.

A supervised practical work experience in Ag Leadership which is designed to give the student an insight into the role of ag leadership employees and an opportunity to gain professional competence in this area.
