Arkansas Alumni Association Scholarships

Thanks to the generosity of our donors, the Arkansas Alumni Association awards more than \$1 million annually through a pool of scholarships. Each alumni scholarship has specific criteria based on the donors' wishes; including, but not limited to, academic achievement, service to the school and community, leadership ability, first-generation college-going and specific major and career choices. Some take into consideration financial need and unique personal backgrounds. All current and prospective students are encouraged to apply each year. Most Association-level scholarships are designated for incoming freshmen and are merit-based. Additional Alumni Association, Alumni Chapters and Alumni Societies scholarships are also available. For more information, visit the Arkansas Alumni Association's website (<https://www.arkansasalumni.org/scholarships/>).
