Dismissal Based on Unethical or Unprofessional Behaviors in Applied Behavior Analysis

The University of Arkansas Applied Behavior Analysis program adheres to the Behavior Analysis Certification Board's Professional and Ethical Compliance Code for Behavior Analyst (https://www.bacb.com/wp-content/uploads/2020/05/BACB-Compliance-Code-english_190318.pdf), as well as program specific codes of ethics and standards found in program handbooks. Violation of these principles may result in probation, suspension, or dismissal of the internship as described:

1. Any incident of ethical misconduct or concern will be documented by the faculty member(s), discussed directly with the student and referred to the program's coordinator or supervising faculty.
2. Any candidate may be suspended by the program coordinator for extreme, unforeseen circumstances such as endangerment of students, disruption of schools or classes, felonious behaviors, or ethical violations (i.e. Arkansas Code of Ethics, Code of Student Life).

The program coordinator, in consultation with the Graduate School, has the authority and responsibility to dismiss a student from the Applied Behavior Analysis program for unethical or unprofessional behavior and/or not recommend the student for certification.

More detailed guidelines about the policies, supports, and other requirements are provided in the program's handbook and the graduate school website (<https://graduate-and-international.uark.edu/graduate/current-students/student-support/student-resources/governance-policies/>).

Students who have been dismissed by the program on the basis of unethical or unprofessional conduct may appeal the decision following the procedures outlined under the Unethical and Unprofessional Conduct policy contained in the Graduate Catalog of Studies (<http://catalog.uark.edu/graduatecatalog/objectivesandregulations/#grievanceprocedurestext>).
