Elementary Education (ELEL)

The Department of Curriculum and Instruction offers programs that prepare candidates for initial teacher licensure in Elementary Education (K-6).

Admission to the Elementary Licensure B.S.E. is competitive and consists of a three-stage process; simply meeting the minimum admission requirements will not guarantee admission. Admission will be determined by the Elementary Education faculty based on the six items listed in Stage II.

Requirements for B.S.E. in Elementary Education

Stage I: Pre-Elementary Education (PELED)

Complete 63 hours of program pre-requisites for the Childhood Education B.S. or the Elementary Education B.S.:

1. Obtain a GPA of 3.0 or better on UA coursework.
2. †Complete all program courses with a “C” or better.
3. Obtain a passing score on the Math, Reading, and Writing sections of the Praxis Core or ACT.
4. Complete a background check.

Stage II: Admission to the Elementary Licensure B.S.E.

Admission to the Elementary Licensure Program is competitive; not all applicants who meet the minimum requirements will be admitted to the program. Applications to the Elementary Licensure (ELEL) program must be submitted by January 30.

The application process includes:

1. Submission of the application to teacher education (see the Teacher Education Application Fee (http://catalog.uark.edu/undergraduatecatalog/feeandcosts/othergeneralfees/)) through the university-wide Teacher Education Office
2. Submission of Elementary Education application
3. Submission of transcripts for all coursework
4. Oral interview with Elementary Education faculty
5. Submission of passing score on Math, Reading, and Writing sections of the Praxis Core Exam or ACT
6. Current background check

Stage III: Requirements for Program Continuation and Student Teaching/Internship

1. Maintain a cumulative GPA of 3.0 or better
2. Submission of Internship Application
3. Passing score on Praxis II, Elementary Education, Multiple Subjects
4. Successful teaching audition
5. Submission of letters of recommendation
6. Maintain a current background check
7. Earn a CPR card
8. Passing score on Praxis II, Principles of Learning and Teaching for graduation

This B.S.E. (4-year) degree includes approximately 9 months of student teaching/internship experience in public elementary schools. Senior-level students must therefore attend full-time.

Requirements for teacher licensure vary from state to state and may differ in teacher preparation programs. Please note that Arkansas requires all applicants to successfully complete a criminal background check. Arkansas Teacher Licensure requirements can be found at http://arkansased.org/teachers/licensureinitial.html.

†All program courses must have a grade of “C” or better. No teaching methods courses may be taken as self-paced (correspondence) courses. A grade of “B” or better must be earned in both the fall and spring semesters of CIED 4173 Student Teaching.
