The Department of Curriculum and Instruction offers a Bachelor of Arts in Teaching in English Education that leads to licensure for 7-12 instruction. The program focuses on developing reflective practitioners based on the constructivist perspective that teachers are life-long learners, reflective practitioners themselves, and scholar researchers. The coursework is designed to develop these attributes so that students graduate as effective teachers with the knowledge, skills, and dispositions to engage students with meaningful and authentic instruction. The Bachelor of Arts in Teaching degree will also prepare students in the humanities with the pedagogical skills, the content knowledge, and the dispositions for teaching and learning in 21st century classrooms.

B.A.T. in English Education

Stage I: Pre-English Education (PEGED)

Complete all 46 hours of program pre-requisites for each content area (see below).

1. Obtain a GPA of 3.0 or better on UA coursework.
2. Complete all content and pedagogy courses with a “C” or better.
3. Obtain a passing score on the Math, Reading, and Writing sections of the Praxis Core or ACT/SAT/GRE as defined by the Arkansas Department of Education.
4. Complete a background check.

Stage II: Admission to the B.A.T. Program

Admission to the Bachelor of Arts in Teaching program (B.A.T.) occurs the semester after the candidate has completed all pre-B.A.T. requirements, including the first three courses in education — CIED 1013, CIED 1003, and CIED 2173 — prior to a student entering one of the individual programs of study the following fall term. The B.A.T. program is competitive, and meeting the minimum requirements does not guarantee admission to the program. Applications to the B.A.T. program must be submitted by January 30.

The application process includes:

1. Students must complete the application to teacher education (see the Teacher Education Application Fee (http://catalog.uark.edu/undergraduatecatalog/feesandcosts/othersgeneralfees/) through the Teacher Education Office during spring semester of sophomore year. This includes completing and passing the criminal background check and also passing Praxis Core academic subjects test or equivalent tests by meeting or exceeding the Arkansas Department of Education cut-off scores.
2. Submission of B.A.T. application.
3. Submission of writing sample to content area faculty.
4. Submission of transcripts for all coursework.

* Another background check will be required prior to graduation in order to be eligible for licensure.

Stage III: Requirements for Program Continuation and Internship

1. Maintain a cumulative GPA of 3.0 or better.
2. All professional education courses and content courses must have a grade of ‘C’ or better (except SEED 3282 below). No teaching methods courses may be taken as self-paced (correspondence) courses.

Stage IV: Requirements for Internship Semester (spring, senior year) and Program Completion

All students in the B.A.T. program must complete the following requirements prior to being admitted to the spring semester of their senior year.

1. Students must earn a ‘B’ or better in the fall semester, senior year SEED 3283 practicum course.
2. Earn a cumulative GPA of 3.0 or better by the end of the fall semester, senior year. Students are not permitted to intern in the spring if the GPA requirement has not been met.
3. Students must have taken the appropriate Praxis II-Content Knowledge exam to be admitted to the spring semester, senior year.
4. Candidate must complete a successful internship admission interview with B.A.T. faculty. Note these interviews are scheduled with all senior students during the fall semester.
5. Satisfactorily complete the internship/student teaching experience that has been approved by the Director of Field Placement.

All students seeking licensure in the state of Arkansas are subject to a criminal background check. Background checks can take up to six months to process; therefore, students are advised to complete and submit the forms to the proper authorities at least six months in advance of graduation (or six months prior to applying for a teaching license). Arkansas will not grant a teaching license to anyone who has been convicted of a felony.

**Dismissal based on Unethical or Unprofessional Behaviors from the B.A.T. program**

The University of Arkansas’ teacher preparation programs adhere to the Code of Ethics of the Education Profession as established by the National Education Association as described in NEA Code of Ethics (https://nam11.safelinks.protection.outlook.com/?url=http%3A%2F%2Fwww.nea.org%2FHome

The Teacher Candidate Professional Review Committee evaluates the concerns and recommends a course of action, which may range from a zero score on the academic and/or internship work, a failing grade for the course, probation, up to dismissal from a teacher education program.

More detailed guidelines about the policies, supports, and other requirements are provided in the program’s handbook, as well as on the Office of Teacher Education website (https://teacher-education.uark.edu/support/). Students who have been dismissed on the basis of unethical or unprofessional conduct may appeal the decision following the procedures outlined under the Student Grievances and Appeals section of the Undergraduate Catalog of Studies (http://catalog.uark.edu/undergraduatemajor/professional.regulations/studentappeals/).

**English Education B.A.T. Eight-Semester Plan**
