The Department of Political Science offers a major leading to a Bachelor of Arts degree, three combined majors, also leading to Bachelor of Arts degrees, and two minors, one in legal studies and a second interdisciplinary minor in urban planning. Political science is the traditional undergraduate degree choice for those considering law school. It is also ideal preparation for a career in government service, including internationally-oriented paths like the foreign service, intelligence, and foreign aiddevelopment agencies, and domestic political careers like consulting, research, polling, and policy/campaign staff.

For requirements for the M.A. degree in political science, the M.P.A degree, or the dual J.D./M.A. and J.D./M.P.A. degrees, see the Graduate School Catalog.

Requirements for B.A. Degree with a Major in Political Science

In addition to the University Core requirements (http://catalog.uark.edu/undergraduatecatalog/academicregulations/universitycore/) and the Fulbright College of Arts and Sciences Graduation Requirements (http://catalog.uark.edu/undergraduatecatalog/collegesandschools/jwilliamfulbrightcollegeofartsandsciences/), the following course requirements must be met.

30 semester hours of PLSC courses, at least 21 of which must be above 3000.

1. Students are required to take both:
   and
   PLSC 2003 Introduction to Comparative Politics

2. Students must choose one of the following:
   PLSC 2813 Introduction to International Relations
   or
   PLSC 3103 Public Administration

3. Students fulfill the remaining requirements from among any of the available political science courses.

At least 21 hours must be 3000-4000 level courses. No more than 9 hours may come from PLSC 300V, PLSC 394V, PLSC 498V, or PLSC 499VH.

Additional Course Requirements (3-12 hours): Students must satisfy either Requirement A or Requirement B.

Requirement A:

Students must demonstrate proficiency in a single modern or classical language other than English by completion of a world language course numbered 2013 (Intermediate II). This is usually accomplished through completion of a sequence of four language courses: 1003, 1013, 2003 and 2013.

Students may seek credit for any omitted courses in the language sequence (based on placement at a higher level), by passing an advanced language course with a grade of "C" or above. Such credit will be awarded at the request of the student by filing application to the World Languages, Literatures, and Cultures (WLLC) Department. Students with advanced knowledge of a language may also contact the WLLC Department regarding credit by exam.

Students pursuing this track must complete an approved university/state core humanities course in addition to the world language 2003 Intermediate I course, if credit for 2003 is earned.

Requirement B:

Students must complete these three requirements:

PHIL 2003 Introduction to Philosophy (ACTS Equivalency = PHIL 1103) 3
or PHIL 2203 Logic (ACTS Equivalency = PHIL 1003)

STAT 2303 Principles of Statistics (ACTS Equivalency = MATH 2103) 3
or WCOB 1033 Data Analysis and Interpretation

Select one of the following: 3-4

MATH 2033 Mathematical Thought
MATH 2043 Survey of Calculus (ACTS Equivalency = MATH 2203)
MATH 2053 Finite Mathematics
MATH 2183 Mathematical Reasoning in a Quantitative World
MATH 2554 Calculus I (ACTS Equivalency = MATH 2405)

Students pursuing this track must complete an approved university/state core humanities course in addition to either the PHIL 2003 or PHIL 2203 course used to satisfy Requirement B.

Writing Requirement: The college writing requirement is fulfilled by submitting an acceptable research/analytical paper to the department for approval at least four weeks prior to graduation. The paper may be derived from completion of an honors essay (PLSC 499V), a senior thesis (PLSC 498V), or some other advanced course in political science. The student is urged to consult with his or her faculty adviser no later than early in the first semester of the senior year.

Political Science B.A.
Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should also see the Eight-Semester Degree Policy (http://catalog.uark.edu/undergraduatecatalog/academicregulations/eightsemesterdegreecompletionpolicy/) in the Academic Regulations chapter for university requirements of the program as well as the Fulbright College requirements. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general or advanced elective in place of a core area.

Requirements for Graduation with Honors in Political Science: Both the College and the Departmental Honors Program in Political Science...
provide undergraduate students the opportunity to participate in directed independent study and scholarly activity. Admission to the Fulbright Honors Program is open to Political Science majors with a minimum, cumulative grade point average of 3.5 in all their coursework. Honors candidates must complete at least 12 hours of honors courses, which will include 6 hours of thesis.

Honors candidates carry out independent study and research under the guidance of political science faculty and participate in special honors classes and colloquia. To successfully complete the required thesis, students should choose an honors thesis adviser as early as possible. An adviser should be selected and an Honors Agreement completed no later than the first semester in a student's junior year.

Honors candidates must meet the College's requirements for an honors degree. Students graduating with honors typically graduate with the distinction cum laude. Higher degree distinctions (magna cum laude, summa cum laude) are awarded by the Honors Council, are recommended only in truly exceptional cases, and are based on the whole of the candidate’s program of honors studies.

Political Science (B.A.) Social Studies Teaching Licensure Requirements:

Please refer to the Secondary Education Requirements (http://catalog.uark.edu/undergraduatecatalog/collegesandschools/jwilliamfulbrightcollegeofartsandsciences/#fieldsofstudytext) for Fulbright College Students.

Students wanting to teach social studies in middle school should consult with a middle level adviser in the College of Education and Health Professions.
