Accounting Department Website (https://walton.uark.edu/departments/accounting/)

The mission of the William T. Dillard Department of Accounting is to cultivate an environment of educational excellence. We do so by pursuing the following endeavors:

- Providing a learning environment in which students interact with others to identify and solve accounting and business problems.
- Developing and disseminating knowledge that has the potential for significant impact on accounting, business, and education.
- Interacting with the accounting profession, the business and academic communities, and the community at large.

The Department of Accounting offers an undergraduate degree program in accounting and graduate programs at both the master’s and doctoral levels. The department’s programs are accredited by the AACSB – The International Association for Management Education, which ensures quality and promotes excellence and continuous improvement in undergraduate and graduate education. In addition, the accounting department offers courses in Business Law.

The objective of the B.S.B.A. accounting curriculum is to provide students with a broad overall education, solid grounding in the common body of knowledge of business administration, and exposure to accounting in sufficient depth to help them achieve entry-level competence for pursuit of a career in industry. The department also offers a five-year integrated program approach to receive the Master of Accountancy degree, which leads to the simultaneous award of the B.S.B.A. and the Master of Accountancy degrees. The integrated program is designed for students who wish to concentrate in accounting and obtain education in an accounting specialization. The objective of the integrated program is to provide students with advanced knowledge of accounting and business topics in order to obtain an accelerated position in accounting or help them launch a career in public accounting. Those students who are not accepted into the integrated program or choose not to enroll in the integrated program will be allowed to graduate with a B.S.B.A. upon successful completion of the B.S.B.A. degree requirements and Accounting Major Requirements.

Students may elect to pursue the B.S.B.A. in Accounting or a Minor in Accounting in an online format. Students must apply to the University of Arkansas, Office of Admissions for consideration to enroll in the B.S.B.A. and indicate their interest in the online program on the admissions application. Students are required to submit official transcripts (either high school or college transcripts or both), and an application fee. Students interested in pursuing a minor must notify the Walton College Undergraduate Programs Office.

Maximum of 30 hours of ACCT courses in department (core, major, elective). More than 30 hours allowed if the extra courses are part of interdisciplinary minor or collateral track.

Total Hours 27

Junior/Senior Business Electives (9 hours)

Selection of electives should be made in consultation with academic advisors.

The following courses are highly recommended to satisfy the junior/senior business elective requirement if not used toward the major: ACCT 3100V, ACCT 310HV, ACCT 35403, ACCT 4100V, ACCT 4003H, FINN 30103, FINN 31003, ACCT 412H3, ISYS 42103 or any 3-hour Walton College Study Abroad Course. Students in the online program are encouraged to complete ACCT 3100V, FINN 30103, ISYS 42103, or any 3-hour Walton College Study Abroad Course.

Maximum of 30 hours of ACCT courses in department (core, major, elective). More than 30 hours allowed if the extra courses are part of interdisciplinary minor or collateral track.

Accounting Students are encouraged to utilize ACCT 3100V in the Spring of Year 4 for Internship Credit as a business elective (in combination with compressed sections of ACCT 46703 and ACCT 49603). To do so requires the student to defer 3 credit hours of General Education electives to an alternative Fall, Spring, or Summer semester. This also strengthens the ability of the student to transition into the Master of Accounting Program.

Accounting B.S.B.A.

Eight-Semester Degree Program:

Students wishing to follow the eight-semester degree plan should see the Eight Semester Degree Policy (http://catalog.uark.edu/undergraduatecatalog/academicregulations/eightsemesterdegreecompletionpolicy/) in the Academic Regulations chapter for university requirements of the program.

Courses in BOLD must be taken in the designated semester. Although other courses listed are not required to be completed in the designated sequence, the recommendations below are preferred.

Total Hours 15

Students who desire to earn an Accounting minor must notify the Walton College Undergraduate Programs Office of intent to pursue a minor. All requirements for the minor must be completed prior to the awarding of the student’s undergraduate degree. All specific course prerequisites must be met. Each student must have a 2.00 cumulative grade-point average in the courses offered for the minor. All upper level minor requirements must be taken in residence.

Admission

Students are admitted to the integrated program according to the following requirements. Admission is granted only for the fall semester; Feb. 15 of the Junior year is the application deadline for those who wish to begin the integrated program the following fall. Students interested in this program must have completed 90 credit hours of study towards the baccalaureate degree (including ACCT 20103, ACCT 37203 and ACCT 38403) by the Feb. 15 deadline.

Acceptance into the integrated program is based upon the discretion of the admissions committee. The committee considers the overall quality of the applications, including the overall grade point average and the grades in ACCT 20103, ACCT 37203 and ACCT 38403. In addition, they are expected to have already mastered basic accounting concepts or, demonstrated, with and official, Graduate Management Admission Test (GMAT) score, as well as other relevant examples of academic ability and leadership. To receive serious consideration by the admissions committee, a student should have a minimum GPA of 3.0 within the applicant’s overall university and accounting coursework. Due to the demand for seats in the program, the admissions committee selectively restricts admission into the program based upon the availability of instructional resources. Students must complete at least two long-term sessions semesters in residence in the Master of Professional Accounting or Master of Accountancy program.

Transfer students will be handled on a case-by-case basis.

Satisfactory Progress

Students are expected to make continuous progress toward the degree by completing required accounting coursework each semester. Students who fail to meet the requirements for the M.P.Ac. or M.Acc. program must choose another major of study or finalize their B.S.B.A. in Accounting. Students will be notified before this action is taken and should meet with an academic advisor in the Undergraduate Programs Office upon notification.

Probation

A student is placed on probation if his or her grade point average in core undergraduate accounting courses falls below 3.00. Except with the consent of the M.Acc./M.P.Ac. Program Director a student on probation may not take graduate accounting courses.

Graduation

To receive an integrated B.S.B.A/M.Acc./M.P.Ac. degree, a student must have a grade point average of at least 3.00 in all coursework taken as part of the minimum 30-hour M.Acc. or M.P.Ac. degree. He or she must also have a grade point average in graduate accounting coursework of at least 3.00.

Degree Requirements

The requirements of B.S.B.A./M.Acc./M.P.Ac. Integrated program are:

1. Undergraduate coursework
   a. Complete the B.S.B.A. degree requirements and Accounting Major Requirements detailed above.
   b. Students are strongly encouraged, but not required, to participate in an accounting internship, ACCT 3100V, ACCT 310HV, or ACCT 5350V.

2. Graduate coursework

Students with appropriate backgrounds in business administration and economics and with an undergraduate concentration in accounting will be required to complete 30 semester hours of course work beyond the baccalaureate degree, at least 21 semester hours of which must be in courses reserved exclusively for graduate students.

All students must be enrolled for a minimum of 9 hours during consecutive fall/spring semesters during their graduate year. The student must be in residence a minimum of 24 weeks (see residency requirements of the Master of Arts/Master of Science).

Students must complete the specified graduate coursework of the M.Acc. or M.P.Ac. degrees as described in the Graduate Catalog.

The M.Acc./M.P.Ac. degree programs do not require a thesis. Successful completion of the integrated B.S.B.A/M.Acc./M.P.Ac. program from the University of Arkansas will qualify a student to take relevant professional examinations.

For further information, write to the M.Acc./M.P.Ac. Adviser, Department of Accounting, Walton College of Business, University of Arkansas, Fayetteville, AR 72701 or contact the Graduate School of Business at gsb@walton.uark.edu.

(Typically offered: Fall, Spring and Summer)

**ACCT 201H3. Honors Accounting Principles. 3 Hours.**

Introduction of accounting as an information system with emphasis on processing and presenting information in the form of financial statements for use in decision making. The course emphasizes business processes and double entry accounting. This course is equivalent to ACCT 20103. Prerequisite: (Non-business majors: Honors Standing, (ISYS 11203 with a grade of C or better, and MATH 22003 or higher with a grade of C or better) or (Business majors: Honors standing, (ISYS 11203 with a grade of C or better), BUSI 11101 with a grade of C or better, and (MATH 20503 or MATH 24004 each with a grade of C or better)). (Typically offered: Spring)

This course is equivalent to ACCT 20103.

**ACCT 20203. Accounting Principles II. 3 Hours.**

Overview of accounting as an information system with emphasis on processing and presenting information in the form of financial statements for use in decision making. The course emphasizes business processes and double entry accounting. Prerequisite: ACCT 20103 with a grade of C or better. (Typically offered: Fall, Spring and Summer)

**ACCT 202H3. Honors Accounting Principles II. 3 Hours.**

In this course we study managerial accounting concepts and their use in business decisions. We will examine the development and analysis of cost information for management use in decision-making, income determination, and performance evaluation. Prerequisite: ACCT 20103 with a grade of C or better and honors standing. (Typically offered: Fall, Spring and Summer)

This course is equivalent to ACCT 20203.

**ACCT 24003. Accounting Fundamentals for Planning and Control. 3 Hours.**

Use of accounting information for planning and control, including interpretation of financial statements and fundamentals of managerial accounting. Topics include financial statement structures and analysis, profitability and cash flow analysis, cost behaviors, production cost analysis, budgeting, standard costs and performance reporting, sources and uses of corporate capital, and other related topics. Walton College majors are not eligible to register for the course. No degree credit for Walton College majors. (Typically offered: Fall and Spring)

**ACCT 3100V. Accounting Internship. 1-3 Hour.**

This course is designed to give students an internship opportunity to combine their formal academic preparation with an exposure to the accounting profession. Prerequisite: Department consent and ACCT 37203 with a grade of C or better. (Typically offered: Spring) May be repeated for up to 3 hours of degree credit.

**ACCT 310HV. Honors Accounting Internship. 1-3 Hour.**

This class is designed to give students an internship opportunity to combine their formal academic preparation with an exposure to the accounting profession. Prerequisite: Honors standing, Department consent and ACCT 37203 with a grade of C or better. (Typically offered: Fall, Spring and Summer) May be repeated for up to 3 hours of degree credit.

This course is equivalent to ACCT 3100V.

**ACCT 35303. Accounting Technology. 3 Hours.**

This course provides an overview of accounting information systems and illustrates the importance of technology to accountants. Students are exposed to a variety of information technologies including manual, file-oriented, and database systems. The relative advantages and disadvantages of each type of system are highlighted and discussed. Prerequisite: ACCT 20103 with a grade of B or better. (Typically offered: Fall and Spring)
ACCT 35403. Accounting Analytics. 3 Hours.
This course provides students with an overview of the data analytics process in accounting: asking appropriate accounting questions, finding and mastering appropriate accounting data to address those questions, performing test analysis and communicating the results of the data through data visualizations. Extensive hands-on, experiential learning using short Excel and Tableau labs is a key part of the course. Basic knowledge of excel is recommended. Prerequisite: (Non-business majors: (ACCT 20103 with a grade of B or better) and (INEG 23104 or STAT 30133 with a grade of C or better)) or (Business majors: (ACCT 20103 with a grade of B or better) and (BUSI 10303 with a grade of C or better)). (Typically offered: Fall and Spring)

ACCT 37203. Intermediate Accounting I. 3 Hours.
This course is designed to study the theoretical basis for financial accounting concepts and principles related to financial reporting. This course emphasizes researching technical accounting pronouncements for application to external financial reporting issues. Prerequisite: ACCT 20103 with a grade of B or better. (Typically offered: Fall)

ACCT 37503. Intermediate Accounting II. 3 Hours.
This is the second financial accounting course designed to continue study of financial accounting concepts and principles. This course emphasizes research of technical accounting pronouncements for application to external financial reporting issues. Prerequisite: ACCT 37203 with a grade of C or better. (Typically offered: Fall and Spring)

ACCT 38403. Fundamentals of Taxation I. 3 Hours.
Introduction to federal income taxation with a focus on individuals, including basic tax concepts, income tax principles applicable to individual taxpayers, primary tax law authorities, tax research techniques, and tax planning strategies. Prerequisite: ACCT 20103 with a grade of B or better. (Typically offered: Fall and Spring)
