

Graduate School

Applications for admission to the University of Arkansas Graduate School and an official copy of transcripts of the applicant's academic record at each college and university attended since high school graduation, and official test score on the Graduate Record Examination (GRE) or other national standard test, must be submitted to the graduate school admissions office and approved in advance of registration. The transcripts will become a part of the student's permanent file at the University. Applications may be obtained by writing to the Graduate and International Admissions Office, 213 Gearhart Hall, 1 University of Arkansas, Fayetteville, AR 72701; by calling 479-575-6246; by e-mailing gradinfo@uark.edu; or by applying at apply.uark.edu (<http://apply.uark.edu>).

Additional information and procedures for making application to the Graduate School are included in the Graduate School Catalog (<http://catalog.uark.edu/graduatecatalog/admissions/>).

Admission to Graduate Standing

To be admitted to graduate standing, a student must have 1) earned a baccalaureate degree from a regionally accredited U.S. institution or from an institution with substantially equivalent requirements for a baccalaureate degree and must have a GPA of 3.0 or better on the last 60.0 credit hours of attempted coursework prior to receiving the baccalaureate degree and 2) present satisfactory scores on the Graduate Record Examination (GRE) or other national standard test.

Admission to graduate standing does not admit a student to a specific program of study leading to a graduate degree. Therefore, in addition to satisfying the general requirements of the Graduate School, the applicant must also comply with the specific requirements and have the approval of the department in which graduate study is desired.
